FOREWORD

WE would not linger in the past, but even as we bathe in new experience our thoughts, at times, will tarry with old scenes, old friends.

To make more vivid the memories of a momentous year in the Altoona High School, we, the Annual Staff, present THE HORSESHOE of 1934 as a partial history of activities. Let this yearbook be a link between tomorrow and today.

A Century Product

THE high school graduate of 1934 stands as a representative product at the close of a century of public school education in Pennsylvania. This *Modern Youth* has been trained with a curious mixture of old elements of education which have been sanctified by usage, joined with new elements championed by progress and demanded by changing conditions of life.

Through a gradually evolving system, the curriculum of the Altoona High School has been broadened; experiments designed to improve teaching methods and habits of study have been launched; a varied program of student activities, to create an interest in vocational or avocational possibilities, has been established; student participation in school government has been introduced, thus imposing upon the learner a responsibility for the successful conduct of his school.

These are some of the modern trends in the high school, a work-shop which functions for *Modern Youth*.

To the Modern Youth

“LITTLE Man, what now?” Upon you rests a duty to take tomorrow’s reins of leadership in the world which you inherit. The rise of Fascism in Italy carries with it an army of youth toward a strong nationalism. The organ of the Nazi Students League proclaims “a people fused into an unconquerable fighting unit.” The youth of Russia is engaged in a gigantic project of socialist construction. Student movement in China is bringing a resistance to the aggression of industrial nations. Though the life of American youth has not been permeated by a revolutionary spirit, yet he is acutely conscious of need for a “new deal” in economic and social conditions. Throughout the world there is evidence of the focusing of youthful minds on vital problems.

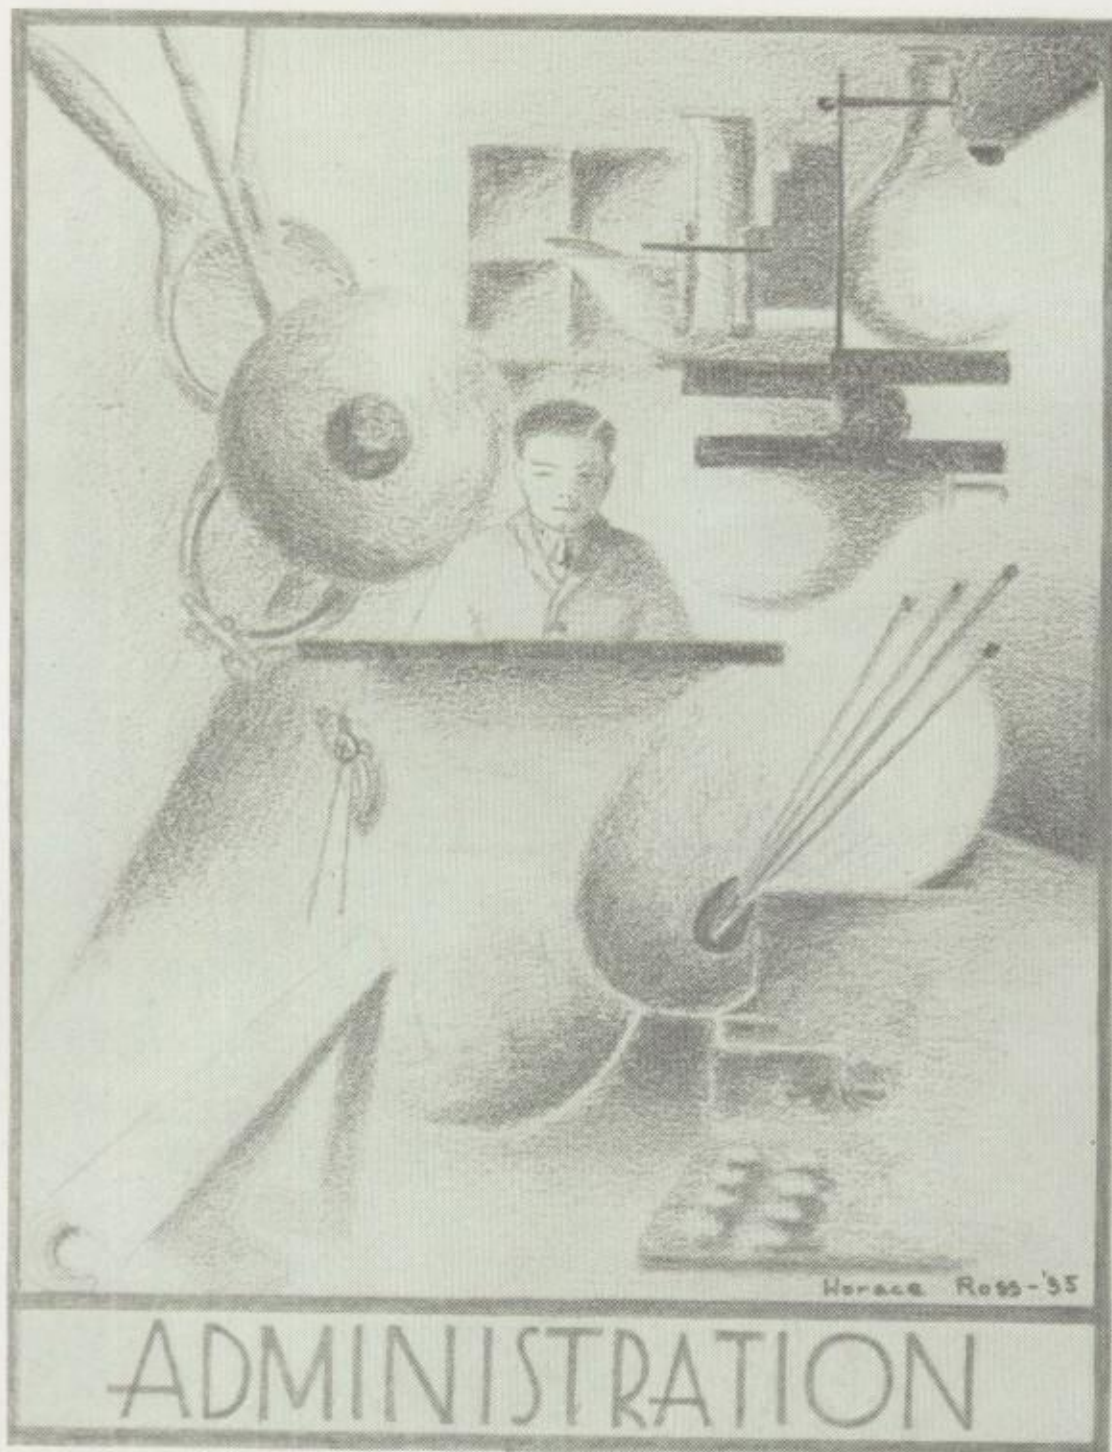

To the *Modern Youth* who will cherish the good in his inheritance, to the one who will find and carry to completion a creative work that will make the world better for himself and for others, we dedicate this *Horseshoe* of 1934.

Alma Mater

Blow, oh gentle mountain breezes,
From the golden west,
Breathe thy peaceful evening tidings
To the A. H. S.
Whisper to us words of pleasure,
As the dim twilight
Softly gathers round our colors,
Dear Maroon and White.

Now the shades of night grow darker;
Birds have gone to rest;
But our colors shine the brighter
Of the A. H. S.
Sinking sun behind the hilltops
Sighs a soft "good night!"
To the colors waving o'er us,
Dear Maroon and White.

Night has slowly crept around us,
Stars are shining bright,
Waving, oh so calm and peaceful,
Dear Maroon and White.
We shall always sing thy praises,
Work for thy success;
Hail to noble ALMA MATER!
Hail to A. H. S.!

Senior Class History

ONCE more a class of Seniors must depart from Altoona High School. It seems strange that it is we, ourselves, who make up that class. The years that we've studied together have passed much too quickly. Now we part, each to go his own way. Whatever the future may bring, may every graduate of the Class of 1934 cherish pleasant memories of high school days. With these thoughts in mind, we record a brief history of our three years together.

1931—1932

The Class of '34 had its beginning in September, 1931, when we entered Altoona High School as Sophomores, some of us from Roosevelt, others from Keith—a group of 1,350. To outsiders our entrance was an ordinary event, but to us it was a supreme moment. We were high school students! However, this superior feeling soon vanished under the strict rules of upperclassmen and the faculty. Still, we enjoyed more privileges in Senior High than had been granted in Junior High. After a few difficult days, we settled down to our scheduled routine and worked with a zeal which won the respect of upperclassmen as well as that of the faculty. A small part of our class made up the Carnegie group of students whose aim it was to strive for high scholarship. During the Sophomore year, the group took several interesting trips, including one to State Farm Show at Harrisburg.

During an excellent athletic season, Altoona cheered for a real football team that walked off with the championship of the Western Pennsylvania District. The basketball team won eight out of fourteen games played. The track team broke former records and won seven first places.

The time soon came for a class election which made Bob Hite the president. The biggest event of the year, for us, was the Sophomore social, held on February 28, 1932. Such a big party was quite thrilling to us, who were "just youngsters!" Following this one social activity, our initial year passed rapidly and we waited impatiently for the time when we would no longer be the "lowest" class. Final "exams" came, then a well-earned vacation. The Seniors paid their tribute to us through the words of Jean Shaner:

*"This year's Sophomore class was a swell one
and the green didn't stick on them very long!"*

1932—1933

After a pleasant vacation, we once more turned our thoughts toward the spacious hall of learning. We were now Juniors, enthusiastic and ready for work. We took advantage of all situations in which we dealt with Sophomores. Perhaps we were a bit supercilious, but wasn't it our privilege? Hadn't we been treated with scorn by other classes? However, the Sophomores probably enjoyed the fun (?) as much as we did. The Carnegie Foundation group continued its work.

During football season, we again saw a mighty team play. Once again our team won the championship of the Western Pennsylvania District.

The class organized with Wilma Barr as president; Betty Eckels, secretary; Jack Shaffer, treasurer. These officers with their committees successfully handled the activities of the year, including two social events. The study hall was beautifully decorated with balloons for the first party—even the Seniors admitted it was one of the finest socials of the year. For the second party, the study hall was decorated in St. Patrick's green and white. The Irish and all others had one grand time! Except for these socials, our Junior year was quite uneventful. Time passed and the end of the year came bringing with it the final exams. We were looking forward to the last milestone on the road of high school learning. Thus we left for another vacation.

1933—1934

At last our time of dictatorship arrived. We were nearing our goal . . . GRADUATION.

One of the most outstanding happenings during the year was the NRA parade. All the high school students participated, making up a small section of the 25,000 people who took part in the demonstration which lasted four hours. We were in the best of spirits when the parade started. By the time it reached Eleventh avenue, our steps were lagging and we were tired. When the end finally came, we were footsore and weary but, at least, we had "done our part."

Concerning the football season, little can be said; the boys had hard luck and lost the championship. However, we stood behind our team, whether it won or whether it lost.

The first business meeting of the Senior class was held in the auditorium on October 4. Candidates for offices were introduced and plans were made for the Senior election, which took place a few weeks later. An able staff of leaders, who have brought us successfully through the year, was chosen. The socials were entertaining and enjoyable.

All too quickly, May came with the final "exams," then June with a banquet at the Jaffa Mosque and . . . graduation.

The year is over; the goal toward which we traveled for twelve years has been reached. We remember part of Mr. Gilbert's welcome to us when we entered high school:

"The Altoona High School of 1934 will be what you will have made it." We have done our best.

It is so much easier to look back over what has been than to look ahead to what is to be. The world in which we live is not prosperous or settled. Some must face adversity; this should not be made an excuse to shirk responsibility. As you strive toward your goal, remember the words of Oliver Wendell Holmes:

"To reach the port of Heaven, we must sail sometimes with the wind and sometimes against it—but we must sail, and not drift, nor lie at anchor."

UNDERCLASSMEN

Junior Class History

WHAT stormy seas our ship encountered when we ended our Freshman voyage and began a new one as Sophomores in Altoona High School! For as ninth graders in Keith and Roosevelt we were the captains! In the fall of 1931 we embarked as "Seniors" in Junior High School, mated with new subjects, new activities, new responsibilities, and, of course, the happy feeling of high sailors on charted seas. The annual plays, *The Isle of Chance*, an operetta, presented at Roosevelt and the musical *Varieties* presented at Keith were proclaimed as successful and outstanding productions. With "Recognition Day" and the close of the school year, we pinned on Roosevelt "R's" or Keith "K's" and made ready to put up a bold front in September at Altoona Senior High.

During our first few weeks in the large and beautiful Senior High School, we Sophomores acted as Sophomores will, but the close of the first marking period showed the honorable upper classmen that we weren't "dumb," for in numbers we headed the honor roll and continued to do so throughout the year. Several of our classmates played prominent positions on a successful football team, which we enthusiastically supported. In our class elections, Josef Waxler emerged victorious as president. After fully recuperating from the toils of mid-year exams, our class produced singers, dancers, comedians—all these and the class president, also, to take prominent parts in the *Annual Show*. The one Sophomore social, on February 12, when we danced in the study hall which was patriotically decorated in red, white, and blue, proved to be our big night of the year. After gallantly supporting a championship basketball team, we returned from the Easter vacation to seriously contemplate second semester exams, with which we closed a happy and successful year.

This year, sailing to port as skippers of Juniordom, we simply ignored the Sophomores and settled down to make this school year better than any previous one. For another season, our football representatives made good. Again we led the honor roll, thus putting in their places the Carnegie Seniors and Progressive Sophomores. As president we chose Bob McGregor (a former Rooseveltian). With the aid of the class sponsors we were prominent in holding the first social of the year, on November 24. After a snowy Christmas vacation the horror of mid-year exams confronted us; however, nothing can depress a Jolly Junior for long, and, when the semester closed, we were not surprised to find our class alive and still going.

The English department play, *The Poor Nut*, a college drama, will long be remembered as one of the most entertaining and successful productions of 1934. Jack Neal and Martha Flegler, two Juniors, were excellent in their portrayal of the leading characters, representing students of Ohio State University. The next event of importance was a second Junior social, held on March 9, after a victorious basketball game with Johnstown. Following close upon the annual show, *Highlights of 1934*, came the Easter vacation—then second semester exams and a successful class picnic. Now, at the close of our Junior year, we've built a seaworthy craft with which we'll embark on a Senior voyage next year.

Sophomore Class History

FOR three years we flitted about the halls and rooms of the Keith and Roosevelt buildings. As underclassmen we were thrilled with new experiences, but at last we gained the "top"—for were we not in our third year the shining lights, the editors of papers, the leaders in dramatics, the captains of athletic teams, and the holders of honor pins?

How self important we became on assuming the responsibility of Freshmen in September, 1932! Science, Latin and algebra, though introduced through the "kind courtesy" of sympathetic teachers, disturbed our complacency at intervals, but we soon swung into the routine of class work and took upon ourselves participation in student councils, organizations of clubs and corridor patrols. Basketball, football, and other sports added color to an already vivid school term.

Among the outstanding events of this year were the annual shows. The Roosevelt students presented a delightful operetta; Keith school exhibited unusual talent in a variety program of sketches, music and dances.

Ours were real worries as semester tests approached. However, the anxiety was somewhat lessened when faculty plays were presented and we found that teachers were really human beings.

At last we reached the home stretch—only three years in the stately high school building, and then we would be past history to the Altoona schools.

Our first experiences in Senior High made us feel a little like "back-seat" drivers; however, as the school term slipped by, we found ourselves taking part in many school activities, thus regaining our self-confidence. After all, the first few weeks of school were not unhappy ones, since beginning Sophomores are a privileged class.

The election of class officers gave that necessary touch to make us feel like full-fledged high school students, a part of the machine that makes Altoona High School run so smoothly. We have come; we are seeing; and (Who can tell?) we may conquer.

February came at last—the month of birthdays, the month of holidays, and the month of the Sophomore social. The patriotic spirit of February 22, carried over to the twenty-third, inspired decorations in the national colors. A large number of upperclassmen attended this social—possibly they came to deride, but they stayed to praise. Our social was indeed a success.

All through the year the name "Sophomore" gave us a new sense of responsibility and duty. It produced in us the assurance that we were advancing into new fields of learning.

"Just Sophomores!" Yes, but we have the desire to strive onward to reach that triumphant day in our lives when we shall enter into the long procession of graduates—and then—new life.

Send Complaints To Us

THE modern trend in American student journalism would abolish the school yearbook and put in its place a magazine that could be issued more frequently. Nevertheless, in keeping with a custom that has, since 1906, given the Altoona High School a noteworthy book of special interest to the graduating class, another year's annual is published. Its title, THE HORSESHOE, taken from the name of the famous Horseshoe Curve, was chosen in 1928 as the standardized name of the yearly publication. This HORSESHOE reflects activities and events of joyous weeks with fine, good friends.

Contrary to precedent, the editor-in-chief was chosen in the spring of 1933, so he could start his work early in the following school year. To carry out the theme of MODERN YOUTH, the section drawings pertain to the high school environment of youth. All the material in the book, with the exception of the "Alma Mater" and a few short quotations, was written by the staff. The HORSESHOE is no longer of interest to Seniors only, for its content is drawn from many organizations and representatives of all classes give their earnest effort to the making of the book. Another innovation is the arrangement of the senior panel pictures.

The staff members did not escape this one phase of present day life—a generous mixture of worry and anxiety. A Junior editor was ill for six weeks and a Senior associate editor was painfully injured in an automobile accident. Pictures of football games were not a success. A fire in the Canton Engraving Company destroyed more than half of the Senior pictures. The removal of a photo studio to Ohio caused a delay in the replacement of some pictures. Balancing the budget was the chief concern of the business managers. Through it all the staff members worked diligently and cooperated in a fine manner. Loyal faculty advisers, who gave so willingly of their time, won the gratitude of students who worked on the book.

It is the sincere hope of the Annual Staff that this HORSESHOE will meet with your approval.

CONFORMING with the times, the Altoona senior high school newspaper, the Mountain Echo, is giving itself "The New Deal." The blue eagle, adopted by the official voice of our high school, is fast becoming a privileged pet.

Issued in "remade" form to its public in March, 1934, the *Echo* had grown to the size of six columns in width and become two inches longer. By adopting smaller type and using greater variety in headlines, the paper became

Boys Federation

ON entering High School as a sophomore, every boy automatically becomes a member of the Boys Federation, which is sponsored by Irvin S. Gress. Meetings of the entire federation or the special clubs are held every Thursday.

At a meeting on September 28 Mr. Billingsley, custodian of the Hopi Indians, spoke to the boys telling them of the customs and manners of these Indians. On October 26 John Grant and George H. Long, both well known for work in connection with aviation, spoke to the boys about the number of airplanes and airports in the United States, the comparative safety of traveling by air, and the great number of licensed air fleets in the United States. At the January meeting, Sergeant York, a World War veteran, related interesting incidents of his early life in the Tennessee mountains and also told how the youth of these mountains, even today, must undergo severe trials in order to acquire an education.

The federation took care of the concessions at football games. The money thus procured was divided between the athletic council and the welfare work such as providing glasses for boys with defective eyes.

Weekly group conferences were held as a guidance to enable the boys to select professions and vocations for later life. This is a progressive step which, it is hoped, will prove valuable to the boys.

The Keynote, a mystery play, and five excellent vaudeville acts comprised a program of entertainment for the evening of December 5. The leading parts were taken by Jack Strassler, "Bob" Welker, "Bill" Batrus, John Moser, Martha Flegler, Janet Stultz and Jane Berkowitz. This production set a high standard for the plays which the Federation annually presents. The financial success of the play made possible a substantial contribution for welfare work in the school.

The Boys Federation closed a most successful year with an elaborate Father and Son banquet held in the school cafeteria on Wednesday, April 18, with Eskil Beckman as toast master. Dr. Boyd Edwards, head master at Mercersburg Academy, gave an interesting talk on "The Most Important Word in the English Language—Become". At the banquet the officers for the coming year were announced. The senior boys of 1934 trust that these officers, with the cooperation of the entire organization, will diligently carry on the invaluable work of the Boys Federation.

Girls League

THIS is the twelfth consecutive year that the Girls League has been a prominent organization in the Altoona Senior High School. The aim of the league is to bring higher ideals to the girls of the school.

The activities of the league began with a preliminary meeting held on September 8, when the Sophomore girls were introduced to the student body and were welcomed by Miss Lentz, who is dean of girls. After a short but interesting program, the girls were escorted through the building and served with refreshments in the cafeteria.

At the first general meeting, nominations for officers were made; at the second and third meetings, "boost" speeches and election campaigns held the interest. The results of the election were: President, Lucille Duncan; vice president, Izora Mangus; secretary, Betty Eckels; treasurer, Wilma Barr. At the following meeting the newly elected officers were installed. In the formal presentation of symbols of office, the president received the gavel; the vice president, the book of record; the secretary, the minute book; the treasurer, the book of accounts.

The fifth meeting was held on October 24. The speakers were John Grant, chairman of Aviation Committee of the Altoona Chamber of Commerce and George H. Long, general manager of the American Booster Club.

Mr. Gilbert was the speaker at the sixth meeting, held on November 28. He gave a short, interesting talk and then awarded the scholarship pins, which were fifty-nine in number. President Roosevelt's *Thanksgiving Proclamation* was read by Patricia McGuire. A demonstration, given by the physical education department under the direction of Miss McGinnis, concluded the program.

The Christmas program, given in the Roosevelt auditorium, consisted of two one-act plays, *Judy Lights the Candle* and *Doctor Auntie*, presented under the direction of Miss Marie Ritts. The plays were enjoyed by all who saw them.

On January 9, Mr. Laramy gave an interesting and educational talk on "Problems of Temperance." The picture of the past president, Jane Findley, was presented by her successor, Lucille Duncan.

The February program included a one-act play presented by the Dramatic Club under the direction of Miss Ritts.

The March meeting featured a health program presented by the girls of the Social Service Group, sponsored by Miss Unverzagt. At the April meeting the work of the year was reviewed.

At intervals during the year, teas were given by the different groups. The Christmas tea was arranged by the Social Service Club; the girls who were home from college for Christmas vacation were entertained by the Go-to-College and the Secretarial Groups; the February tea was in charge of the Library and the Entertainment Clubs; in March the members of the World Friendship Group were hostesses.

The Girls League, during the second semester, assumed the supervision of the girls who lunch in the auditorium. Those members who acted as guards were responsible for the success of the undertaking.

The *Central European Carnival*, presented on the evening of April 27, and the dinner for the Senior girls and their mothers on May 12 both proved highly successful events. The dinner, with Elsie Singmaster as honor guest, was a suitable climax for League activities of 1933-34.

THE Altoona Junior Academy of Science, a branch of the Pennsylvania Academy of Science, was organized this year. Its membership is selected by the faculty on the basis of high school scholarship and ability in research.

The purpose of the organization is to encourage originality in scientific research and to give recognition to students who are doing good work in science. These pupils have an opportunity, at the monthly meetings, to meet and talk with others who keenly appreciate the problems of the scientist.

Many members of this group have carried on research work in the laboratories of the school and have obtained interesting results.

National Athletic Scholarship Society

President.....William Wolfe
Vice President.....Frank Mastrocola
Secretary.....Dean Hanley
Sponsor.....Joseph N. Maddocks

Second row—DiVentura, Wharton, Hanley
First row—Bush, Jasimus, Patterson, Wolfe, Mastrocola

THIS society was organized in May, 1931, with the initiation of seven boys into its ranks. At the first meeting held by this society, Superintendent Laramy and Mr. Gilbert formally inducted the members and the society as a whole into the Altoona High School.

The purpose of this society is to foster high scholarship among boy athletes, to stimulate a desire for balanced training, to elevate the ideals of sportsmanship, and to develop more outstanding leaders in the secondary schools of the United States.

The chief accomplishment of the National Athletic Scholarship Society is the acknowledgment of those prominent athletes who have merited this honor through their scholastic ability.

 First row—O'Connor, Swartz, Groban, Notopoulos, Yingling, Faulkender, Corbin

IN 1929, largely through the efforts of Mr. J. P. Lozo, who was then supervisor of teaching in Altoona High School, but is now principal of Reading High School, there was organized the Altoona chapter of the National Honor Society, a high school "Phi Beta Kappa." It is, in other words, an honorary society established to give recognition to student achievement.

It is not for scholarship alone that election to this group is made; high moral character, initiative and leadership, and service to the school are requirements for membership.

Since the members of the group are prominent in many activities of the school, they are sometimes called upon to perform special duties; however, the purpose of the society is rather to honor past achievement than to function as a group. It is expected that those elected to membership will continue to strive toward a high goal and to uphold the highest ideals of the institution of which they are a part.

Quill and Scroll

President.....Esther Yingling
Vice President.....Robert Grazier
Secretary.....Robert Isaacson
Sponsor.....Miss Mildred E. Heller

Second row—Shaner, Wray, Beckman, Handwork, Mock
First row—Batus, Walker, Grazier, Yingling, Isaacson, Faulkender

THE Scriveners, the local chapter of the Quill and Scroll, an international honor society for high school journalists, was instituted in the Altoona High School in 1931. Membership is granted for exceptional work upon the *Mountain Echo* and *The Horseshoe*. Quill and Scroll requires more than journalistic ability; it admits only those students of good character who are capable of taking charge of affairs intrusted to them, who serve the school to the best of their ability and stand high in academic subjects.

The purpose of the society is to promote creative literary work and acquaint the general public with the value of high school journalism.

The local chapter has been a very active organization, sponsoring, in the past, various contests, throughout the school, in short story writing and poetry, and managing programs over the local broadcasting station. Last year the club published "Quills," a book of poetry written by the students. This year it is publishing a magazine containing contributions of talented members of the school.

Senate

FOR some time the Altoona Senior High School had been interested in the problem of directing the energy and initiative of its students toward a higher development of the objectives of education. After much discussion and investigation the faculty, the student body, and the board of directors decided that a plan should be inaugurated which would make it possible for the students to share in the government of the school.

An organization under the caption of "Student Council" was effected. This organization served its purpose as a pioneer in the movement, but it was found that the title was rather indefinite and loaned itself to many interpretations. A complete re-organization was thus effected, now known as the "Student Participation in School Government Organization." This organization consists of two houses or branches—a Senate, which is the controlling body, and a House of Representatives, which keeps in close touch with student opinion.

The Senate is composed of two boys and two girls, elected from each of the three classes, and one representative from each of the major organizations of the school. The organizations represented are: Girls League, Boys Federation, Horseshoe Staff, Mountain Echo Staff, Hi-Y Club, Corridor Patrol, National Honor Society, and Hand Book Staff. The Senate meets regularly each Friday morning.

The House of Representatives is composed of the Home Room presidents. This body holds its regular meeting every other week throughout the school year.

Since its inception as an organized unit for participation in school government, the Senate, which supervises all student activities, has had a great amount of responsibility delegated to it. It has endeavored to co-operate with all student activities of the school, in order that each individual may become trained to understand the meaning of democracy and that philosophy which underlies the individual's participation in government. To this end the Senate has been working earnestly, taking up problems such as the advising and aiding of various student activities; sponsoring the activity ticket sale; organizing the corridor patrol system; organizing the Parent-Teacher Association membership drive and various welfare drives for securing food and financial assistance for unfortunate students; handling cases where in violations of school regulations need careful consideration; promoting better sportsmanship at athletic games; encouraging a closer co-operation among parents, students, and teachers; providing for social events, better assembly programs, and many other needs of the students which are brought before the organization.

Those who have been interested in student participation in school government feel that it has been a forward step in the right direction, and hope that it may continue its good work in finding satisfactory solutions for school problems.

Accountancy Club

Sponsor.....Carl E. Graf

Third row—Myers, Neugebauer, Mr. Graf, Griffith, Frye, Miller
Second row—Cassidy, Dodson, Leighty, Campbell, Melnick, Grove, Reddick
First row—B. Plack, Ardire, Levy, Kissell, J. Plack, Kattouf, Flickes, Marchiore

THE Accountancy Club serves as a vocational guidance agency for persons who are interested in accountancy as a profession. Since its organization at the beginning of the second semester, in January, 1932, it has enabled both boys and girls to make a study of opportunities offered in this line of work.

A group of twenty-one "embryo accountants" have this year heard talks by prominent business men who are familiar with present-day conditions, and have conducted discussions on current problems of the students.

The following is a partial outline of the subjects presented:

College entrance requirements; costs of higher education; institutions which offer advanced courses in accounting; qualifications for certified public accountancy; openings in accounting fields; qualifications of an accountant; cost accounting; office machines commonly used by accountants; history of the methods of accounting.

Girls' Athletic Club

President.....	Mary Jane Smulling
Vice President.....	Marjorie McGirk
Secretary.....	Virginia McConnell
Treasurer.....	Ruth Snyder
Sponsor.....	Miss Elisabeth K. Eyre

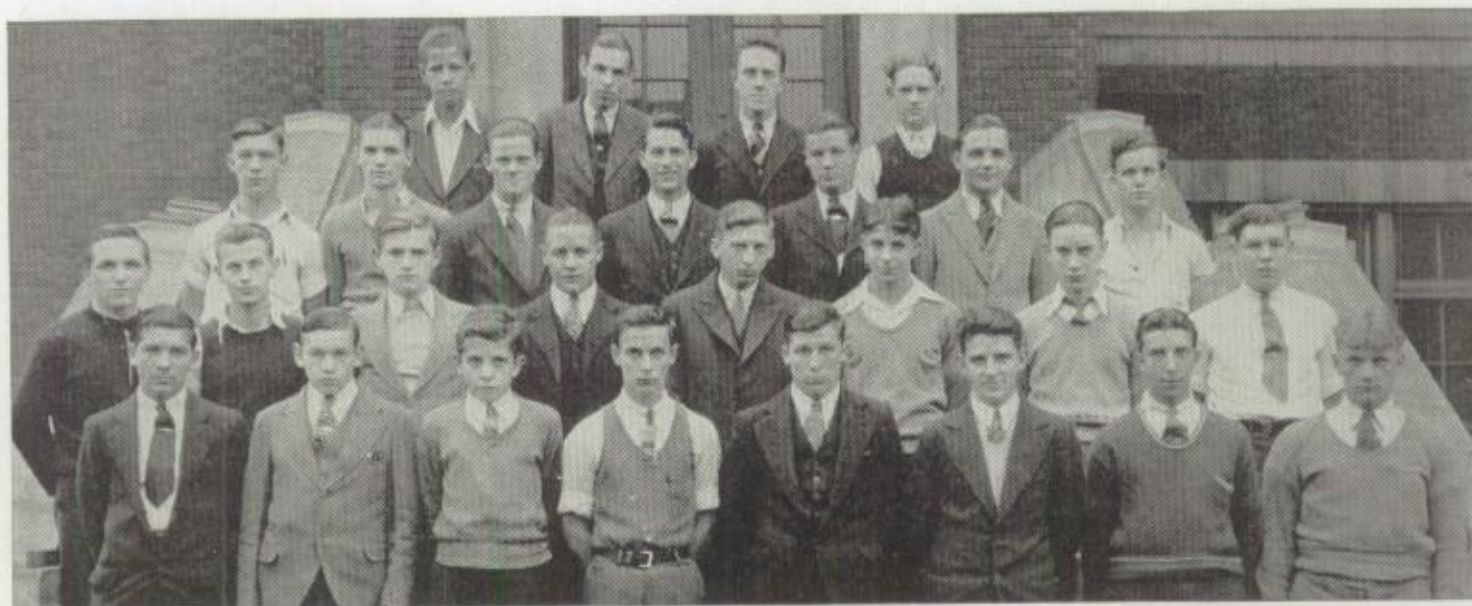

Fifth row—Shoenfelt, Kelly, Meyers, McCormick
 Fourth row—Mock, Earnest, Ruse, Crouse, Glisser, Criste, Briggs, Weber
 Third row—Stackhouse, Dunmire, Johns, Johnson, Brice, Butterbaugh, Davis, DeJaiffe
 Second row—Shiplett, Stiffler, Stere, Eichelberger, Elggler, Watson, Osman, Gerheart
 First row—McGirk, McConnell, Smulling, Snyder, Mattas, Replogle, Womer, Vaughn, Ramsey, Keiper, Hiltner

THE Girls' Athletic Club, consisting of forty members, endeavors to promote interest and participation in the various sports for girls; to train the girls to be efficient in all athletics; to teach good sportsmanship, whether in winning or in losing.

Competition is afforded by dividing the membership into four teams for volleyball, soccer, push-ball, hockey, and basketball, as well as track and field events. Four senior girls, Marjorie McGirk, Margaret Mattas, Helen Replogle, and Helen Woomer, who are outstanding in athletics, were chosen to captain the teams. The teams are marked by points in each game, and, at the end of the year, the group with the highest score is the winner. After all, "it isn't whether they win or lose, but how they play the game" that develops good sportsmanship.

Auto Safety Club

President.....Harry Trout
 Secretary.....James Franks
 Sponsors.....Walter H. Grove and Jacob C. Miller

Fourth row—Jones, Geddes, Trout, Roessing
 Third row—Young, Orr, Lynch, Burchinal, Mueller, Wildes, Coble
 Second row—Franks, Williams, Yorgy, Green, Wahl, Hiergeist, Strohmeyer, Scherdon
 First row—Nicodemus, Wyland, Rines, Sissler, Fraley, Haigh, Bradley, Morgan

THE Auto Safety Club was organized in the fall of 1930, so that students might participate in traffic regulation in the vicinity of the high school. There are now sixteen volunteer club members who act as patrolmen at the four corners of the school, and also a few extra boys who serve in the absence of regular student patrol members.

The main interest of this club is to teach the value of safety measures and to maintain safety for school students on the streets surrounding the school buildings.

Honorary members of the club from time to time address the group on matters pertaining to traffic regulation. Mr. Gilbert, principal of the high school, has spoken several times on safety and its maintenance. This club has been successful in its effort to improve traffic conditions in the vicinity of the school and to increase interest in safety measures.

Aviation Club

President.....Harry Buchanan
 Vice President.....Fred Gebhardt
 Secretary-Treasurer.....Clifford George
 Sponsors.....Fred D. Hite and Benjamin L. Elder

Third row—Moloney, Buchanan, Davis, Stolber, Mr. Hite, McCune, Ammerman, Karcz, Gerhardt
 Second row—Reifsteck, Berlehner, Mathios, Rodgers, Glass, Cohen, Wilson, Delozier, Phillips
 First row—Brubaker, Rossback, White, McGraw, Taylor, Woolson, Graf, Clifford, Beck

THE Aviation Club is divided into two groups, the Aviation Group and the Plane Model Club. The Aviation section, which meets in Room 238, has a membership of thirty-one and is sponsored by Mr. Hite. The Model Club, which meets in the "mill room" with Mr. Elder, has a membership of twenty-five.

The Model Club has built and flown a variety of types and sizes of model planes. The purpose of the Aviation Club is to acquaint the members with the many branches of the aviation industry, to develop familiarity with the various parts of a plane, and to present the principles of air-craft operation. A plane loaned by the government to the school district is used for studying construction.

The Model Club has plans for a seven-foot flying machine to be equipped with a small gasoline engine. The Aviation Club divides its time into three periods; one for current events, another for answering questions asked by members, and a third for the study of some particular phase of aviation.

ONE of the most recently organized groups in the high school is composed of about forty pupils each of whom gives one period a day to assist in obtaining a smooth and orderly working of the rather unwieldy and complicated organization of the school. In choosing members for this group, a great effort is made to find pupils of unquestioned integrity, whose grades are high enough to warrant their giving one period each day to this work.

The assistance of these pupils was first solicited during the school term of 1932-1933, in order to correct two growing evils: one, the presence of pupils in the halls during class periods, which resulted in a confusion, very annoying to classes, and in the increase of theft from lockers; the other, the unauthorized absence of pupils from the building during lunch periods.

The administration and faculty feel that time given to this work is well spent, for already both annoyances have been reduced to a minimum.

Boys' Dramatic Club

President.....Donald Decker
 Vice President.....Robert Miller
 Secretary.....Jack Neal
 Sponsor.....Albert J. Snyder

Fourth row—Gorman, Pratt, Tompkins, Crum, Eldon, Beckman, Kline, Schalles, Burket, Morgan, Shaffer, McCamant
 Third row—Dugan, Mitchel, Notopoulos, Lauver, Forsht, Batrus, Jacobs, Boltz, Grenninger
 Second row—Pennick, Armstrong, Interante, Titler, McNoldy, Renault, Bookhamer, Brenner, Ranck
 First row—Harshbarger, Crawford, Decker, Hainsey, Muri, Mutzabaugh, Lehrer, Harrison, Neal, Mr. Snyder

THE Boys' Dramatic Club was organized during the school term of 1931-1932 under the guidance of Albert J. Snyder, a teacher in the modern language department. The enrollment of this club now numbers more than seventy boys.

The important interest of the group is a study of the history of drama, but many members write plays, with the help of the sponsor, and numerous students participate in the production of these plays. A few of the most interested boys plan to follow some phase of dramatics as a profession.

The Boys' Dramatic Club assists in many ways with the "show" sponsored by the Boys Federation each year. During the year the club presents plays at the meetings held by the Boys Federation.

Girls' Dramatic Club

President.....June Snively
 Vice President.....Jane Snyder
 Secretary.....Belle Berman
 Treasurer.....Iona Fox
 Sponsor.....Miss M. Marie Ritts

THE purpose of the Girls' Dramatic Club, a component of the Girls League, is to afford girls who consider dramatics as an avocation an opportunity to become familiar with the different phases of dramatic art, as well as to furnish them training in clear enunciation, interpretation, and the production of a pleasing tone quality.

Plays directed by members of the club, with all parts enacted by members, are presented bi-weekly to the club. The best of these plays are given, at various intervals, before the entire Girls League. From the groups taking part in these plays, selections are made for the casts of the Christmas play and for the "annual play," which is the crowning event of the year.

The directing efforts of Miss M. Marie Ritts have been most successful in achieving the aims of the club and in promoting a spirit of good fellowship and cooperation among the members.

Entertainment Club

President.....Winifred Eckels
Vice President.....Ruth Moore
Secretary-Treasurer.....Jennie Morch
Sponsor.....Miss Emma Eberle

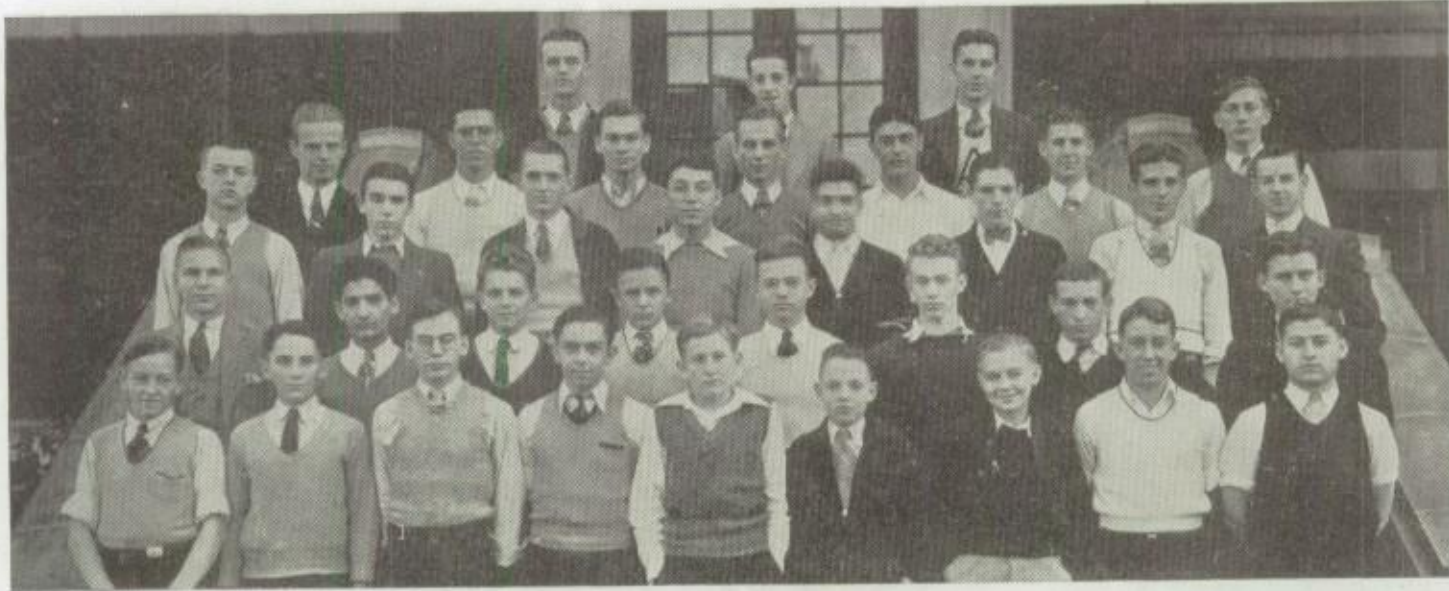

THE Entertainment Club of the Girls League was formed for the purpose of training young ladies in the etiquette of the small social function, the entertainment of guests in the home, the friendly visit, and other affairs of importance in polite society. It is the ultimate aim of the members to attain for themselves poise, social grace, dignity, and those other qualities which make for refinement and culture.

This organization has proved itself of such exceptional benefit to the girls of our high school that a more extensive program will probably be forthcoming next year.

 Second row—Smith, Pagliaroli, Schum, Cramer, Moore, Nolan, Farabaugh, Davis
 First row—Horton, Herspliger, Barnett, Hauser, Nolan, Love, Musser, Binkley, Jones

THE Forestry Club is composed of approximately forty-five members. This club was organized to further the interests of those boys who enjoy activities relating to forests and woodcraft, and to teach boys to understand the value of natural resources.

Until this year, membership in the club was open to anybody wishing to avail himself of the opportunity; but the enrollment is now restricted to those who belonged in previous years and to new members who are elected to the club.

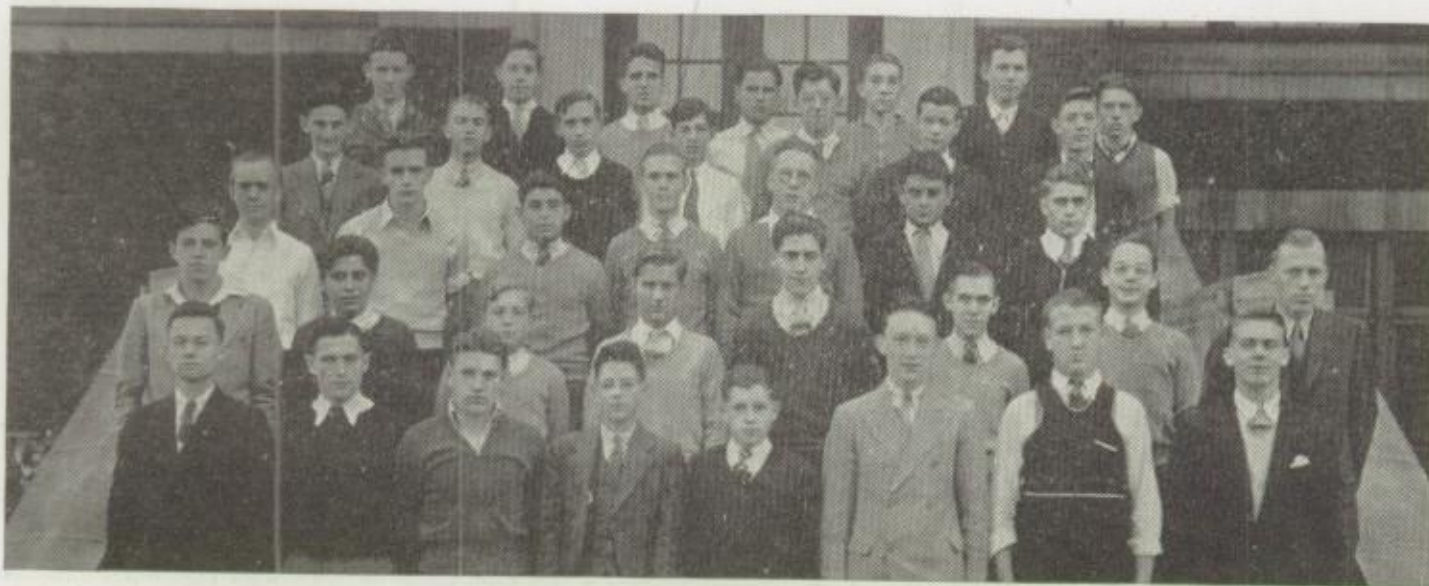

The boys in this group have taken numerous hikes, following the lure of nature. The club was also represented by a basketball team which enjoyed a fair measure of success for the season.

 Second row—Hoover, Richett, Riley, Dickinson, Ertle, Faulkender, Smith, Mr. Faris
 First row—Wehrle, Weidel, Tiernan, Jones, Chestney, Lafferty, Davidson, Hardaker

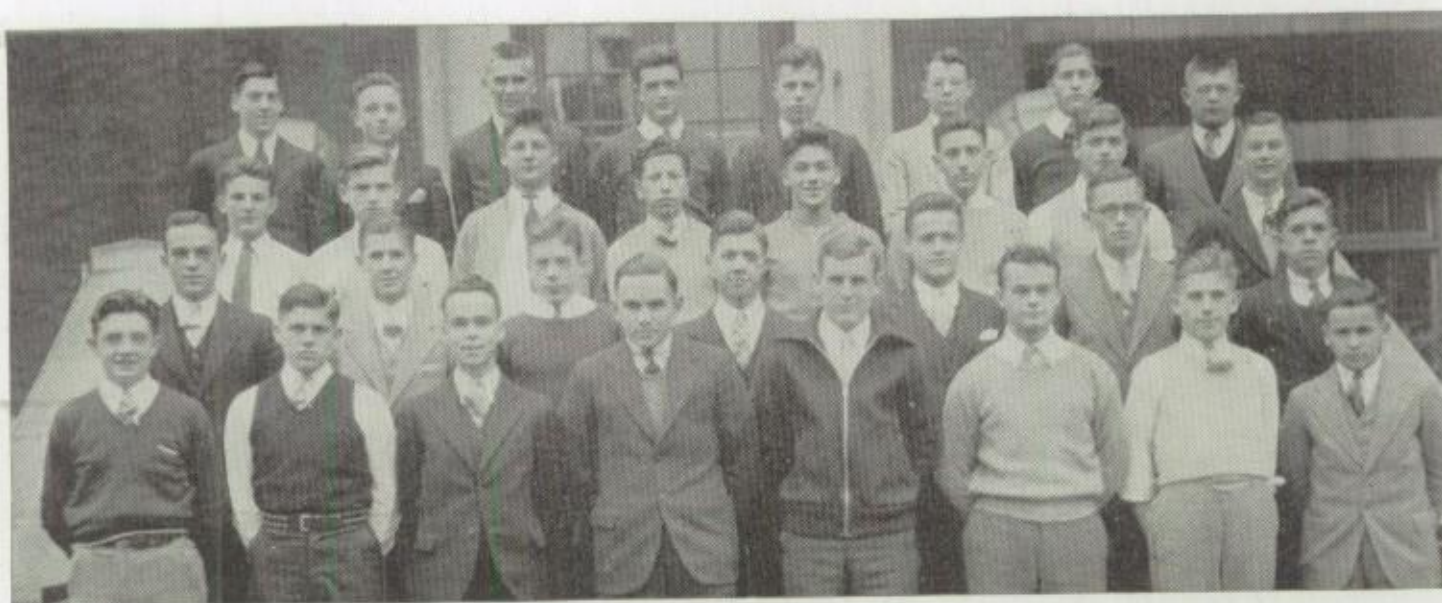

THE Golf Club was formed last year in response to numerous requests for an organization which would stimulate interest in golf as a sport and a means of relaxation. Starting with an original membership of twenty-five boys, the club has grown until it now has an active membership of approximately sixty boys, many of whom have become familiar with the game by acting as caddies at local courses.

The meetings of the club are devoted to familiarizing the members with the rules and etiquette of golf, to the study of form and playing technique of golf experts and professionals, and to reading newspaper and magazine articles on the subject. Occasional speakers, recruited from the ranks of local golf enthusiasts, present their views on special phases of the game.

In addition, a certain amount of practical experience and competition has been made possible through the generosity of the Altoona Y. M. C. A. which has opened its course to the boys on Saturday mornings during the playing season.

Hi-Y Club

President.....	Robert Hite
Vice President.....	Richard Gracey
Secretary.....	Joseph Irwin
Treasurer.....	Fred Fick
Sponsor.....	Addison E. Pohle

Fourth row—Parsons, Marshall, Nelson, Minelli, Wolfe, Beatty, Mountain, Conrad
 Third row—Nolan, Yorgy, Anske, Batrus, Luckner, Notopoulos, Crain, Leathers
 Second row—Stere, Grove, Hughes, Neal, Hoffman, Cleaves, Davis
 First row—Hurd, Kurtz, Fick, Hite, Gracey, Irwin, Acker, Reighard

THE Hi-Y Club was organized in the Altoona High School in 1929, under the sponsorship of Mr. Pohle, with the co-operation of the Y. M. C. A. and the high school administrative officers. The club is composed of thirty-eight boys, many of whom are active in major organizations of the school. To become associated with the club, one must be elected by a majority vote of the members.

The club endeavors to carry out a four-fold purpose—to develop the members spiritually, physically, mentally, and socially. In club meetings, which occur semi-weekly, programs are presented by the members, and addresses are delivered by speakers obtained by the sponsor. A part of each meeting is set aside for devotions. The club uses the “Y” gymnasium and swimming pool every week. A high scholastic standard must be maintained by all members.

The Hi-Y calendar is featured by a “Y” membership drive in which Y. M. C. A. members are solicited. “Dad and Son Get-togethers” are arranged, an annual banquet and other social functions are enjoyed, and daily service is rendered in the school cafeteria. The Hi-Y basketball team has won the junior championship of the city for the last two years. Delegates are sent to various older boys’ conferences during the year. Since its organization five years ago, the Hi-Y has enjoyed much success and has gained a reputation in the school as a club with a worth-while program.

Horseshoe Art Club

Art Editor.....James Bradfield
Assistant Art Editor.....Mary Paul
Sponsor.....Miss Edna A. Bottorf

Third row—Shoenfelt, Bradfield, Hettler, Herbert, Bixler, Weber, Mickel
Second row—Gerlock, Lockhove, Kelly, Weber, Wingard, Kagarise, Risoldi, Ross
First row—Kecher, Boslet, McCartney, Paul, Croll, Reffner, Gates, Hoover

THE Horseshoe Art Club, sponsored by Miss Bottorf, is composed of students who wish to devote some time and effort in the development of their artistic interests.

The members of the club are encouraged to use their originality in various forms of art expression such as pencil treatment, linoleum blocks, modernistic and other decorative designs.

These art students have made drawings for *The Horseshoe*, furnished cuts for the *Mountain Echo*, designed costumes for plays, and rendered various other services to the school. In addition to this, they have shown a fine spirit of co-operation and have gained experience that has a permanent value.

 First row—C. Evangelisto, Martellacci, Volpe, J. Evangelisto, Gray, Pavetta, Marinucci, Lowey, Prosperi, Calandra, Thomasetti, Minori

FOR a second year the Italian Club has functioned successfully. The Club, which meets every Thursday morning, is open to any interested student.

This organization brings together boys and girls of Italian extraction, and any others who may wish to be included, in order that they may become better acquainted and may develop a deeper appreciation of the musical talent of the high school group and of the outstanding Italian talent of the city. The group also makes a study of Italians who have won recognition for contributions to other phases of the fine arts.

The membership includes one hundred twenty-one students who have availed themselves of the opportunities offered by this club, and many of these boys and girls have received an added interest in the Italian race while they derived much enjoyment from the meetings.

 First row—Levy, Branda, Foster, Meader, Kelly, Mensch, Welsh, Negri, Smith

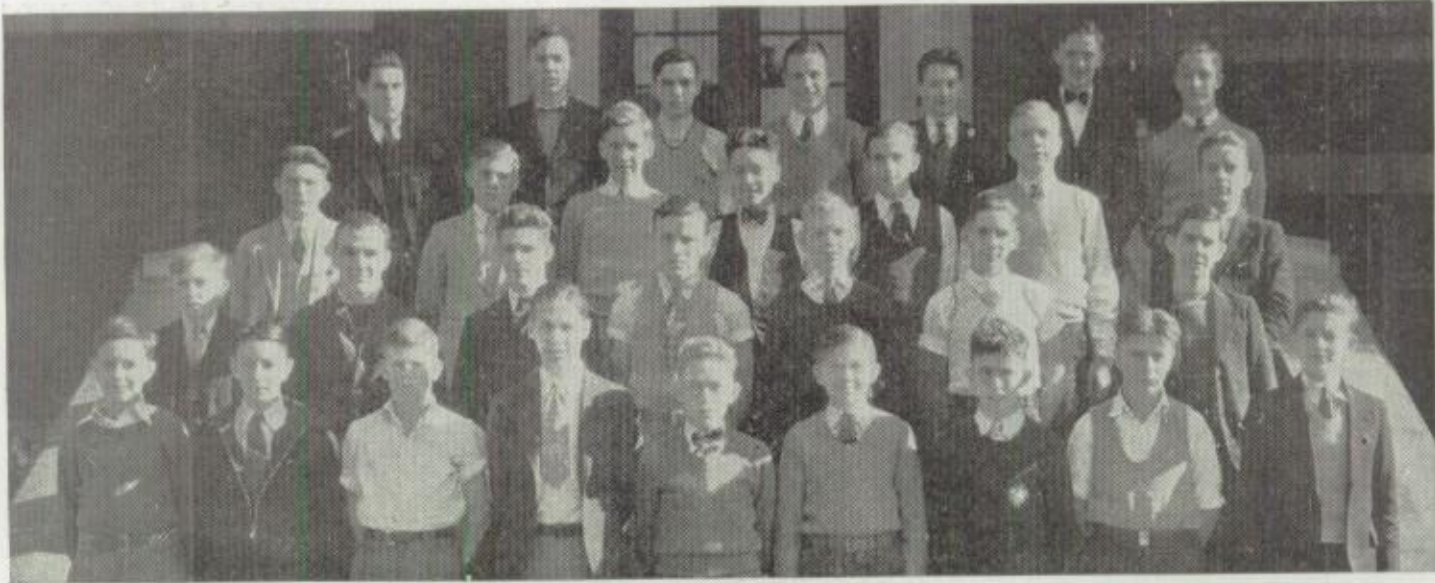

BY means of the Library Club, girls are given the opportunity to get acquainted with the routine of a library, to make friends with good books, and to be of service to the school.

Each girl selects and works on one term and several short term committees. Quotations collected during the year are printed by the mechanical drawing classes, and are posted weekly on the bulletin boards. During "book week" two assembly programs were presented.

Perhaps one of the best projects of this year was the collection of books, posters, magazine articles, maps, and sundry other interesting articles concerning the Century of Progress Exposition in Chicago. The club is also continuing the collection of materials and a clipping file on local history, a project undertaken last year.

Rifle Club

President.....Byron Miller
 Secretary.....Raymond Glass
 Treasurer.....Leroy Campbell
 Sponsor.....Charles C. Caveny

Fourth row—Hooper, Kinzle, Morrison, Kaufman, Summers, White, Greary
 Third row—McCracken, Kurtz, Murray, Strasser, Burns, Brennecke, Gable
 Second row—Hunter, Flower, Hofmann, Sabathne, Renner, Luke, Ambrose
 First row—Yost, Folk, Nelson, Martin, Glass, Kohl, Schlayer, Dunkel, Barr

THE Rifle Club is a chartered unit of the National Rifle Association, Junior Division, with by-laws which are approved by the national organization. The officers and sponsor constitute an executive committee which directs the activities of the thirty-six members, all of whom are charter members of the National Rifle Association.

The purpose of the club is development of skill in marksmanship and appreciation of good sportsmanship. A complete course of decoration firing is being pursued and fifteen distinct awards of national significance are available for those who qualify.

The present members are:

Name	Rank—N. R. A.

 Vice President.....Winifred Decker
 Secretary.....Ruth Miller
 Sponsor.....Miss Sarah Duncan

Third row—Brice, Fisher, Young, Leighty, Miller, Miss Duncan
 Second row—Price, Napolitana, Shope, Boese, Rath, Brady
 First row—Ardire, Badwey, Leslie, Vogel, Venettozzi, Plack, Decker, Rollo

ONLY seniors who are taking a secretarial course are eligible for membership in the Secretarial Club, which now has an enrollment of twenty-five members. It is governed by an executive committee which is composed of the president, the vice-president, and the secretary. The program for each meeting is prepared by an appointed group, and social activities are scheduled and carried out by the entertainment committee.

This club aims to acquaint the members of the organization with some of the outstanding business executives in Altoona; to enter shorthand contests which the Gregg Publishing Company sponsors; to make an investigation regarding the opportunities open for young women in the business world; and, lastly, to assist in social functions of the Girls League

A visit to the Bell Telephone Company offered an excellent opportunity to learn something about the mechanism of the dials on telephones and the intricacy of switch-board operation.

Each year the club members send specimens of their notes to the Gregg Publishing Company for correction and awards.

Social Service Club

President.....Marjorie McFarland
 Vice President.....Cleda Feight
 Secretary-Treasurer.....Marjory Frischkorn
 Sponsor.....Miss A. Angella Unverzagt

THE Social Service Group of the Girls League consists of approximately one hundred fifty girls, representing each of the three classes. The girls select their officers—a president; a vice president, who becomes chairman of the program committee; and a secretary-treasurer, who takes care of the writing of the minutes, of the collection of dues, and of the roll call. Miss Unverzagt, the sponsor, helps with the programs and gives advice to the girls about problems which arise. The social service group, in behalf of the Girls League, sends sympathy cards when the need arises, or convalescent cards to girls who are ill.

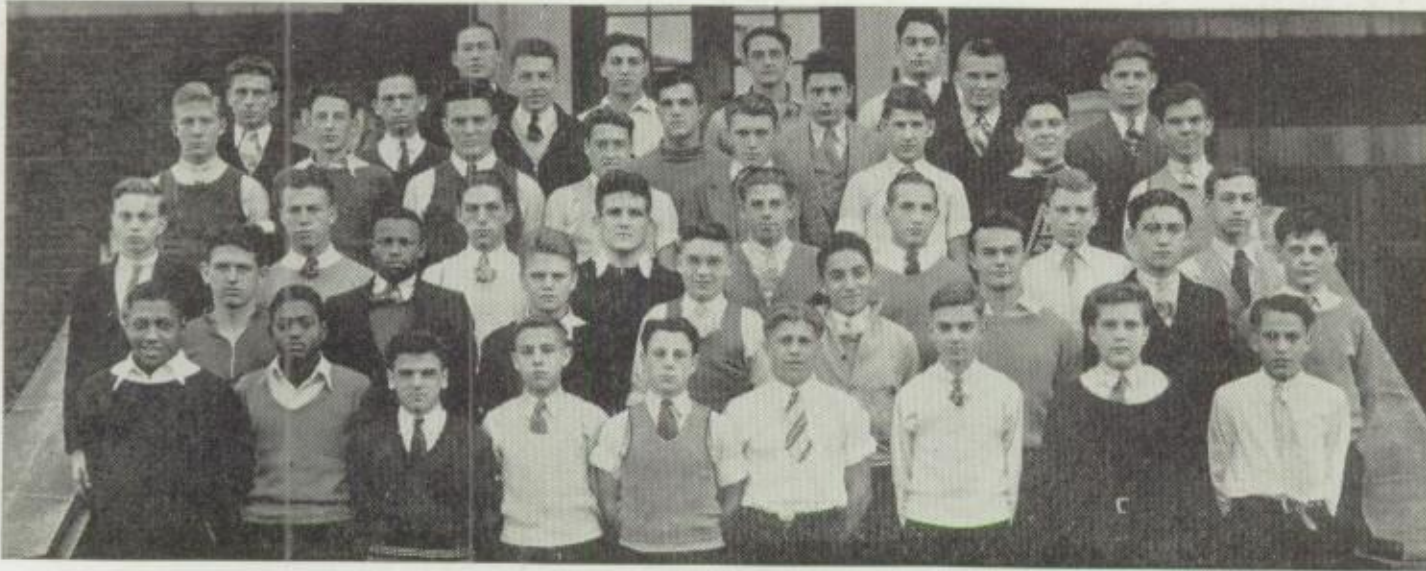

The purpose of this organization is to bring girls together who are in any way interested in service to humanity. The aims are: To acquaint the girls with social service work; to instruct members in the nature of social service work; and to interest them in problems and troubles of other persons.

Each year the girls give a Christmas tea in honor of their mothers. An annual custom is the hanging of holiday wreaths on the doors of the executive offices of the school.

Sports Club

 First row—Bell, Smith, Fusco, Nankeville, Long, Rhinehart, Zeigler, Baer, Vogel

THE Sports Club, which now has an enrollment of fifty-three members, was organized for the benefit of boys participating in school athletics who wish to further their knowledge of sports.

The objectives of this club are to teach to boys interested in athletics the art of sportsmanship, and to acquaint them with rules, regulations, and playing technique of each sport.

Many former athletes have been brought before the club to talk on those sports in which the pupils are most interested. Mr. Emanuel, head coach of athletics and sponsor of this club, points out mistakes made on the playing field and endeavors to answer any questions that puzzle the young athletes.

Squad Leaders' Club

Sponsor.....Miss Elisabeth K. Eyre

Fourth row—Stevens, McGirk, Cragg
Third row—Smulling, McConnell, Kelly, Neff, Mock, Warner, Rhodes, Jenkins
Second row—Mattas, Johns, Gardner, Hendry, Ronan, Crouse, Saucerman, Brice
First row—Replogle, Womer, Stackhouse, Hauser, Kattouf, Moore, Snowberger, Stiffler, Hiltner

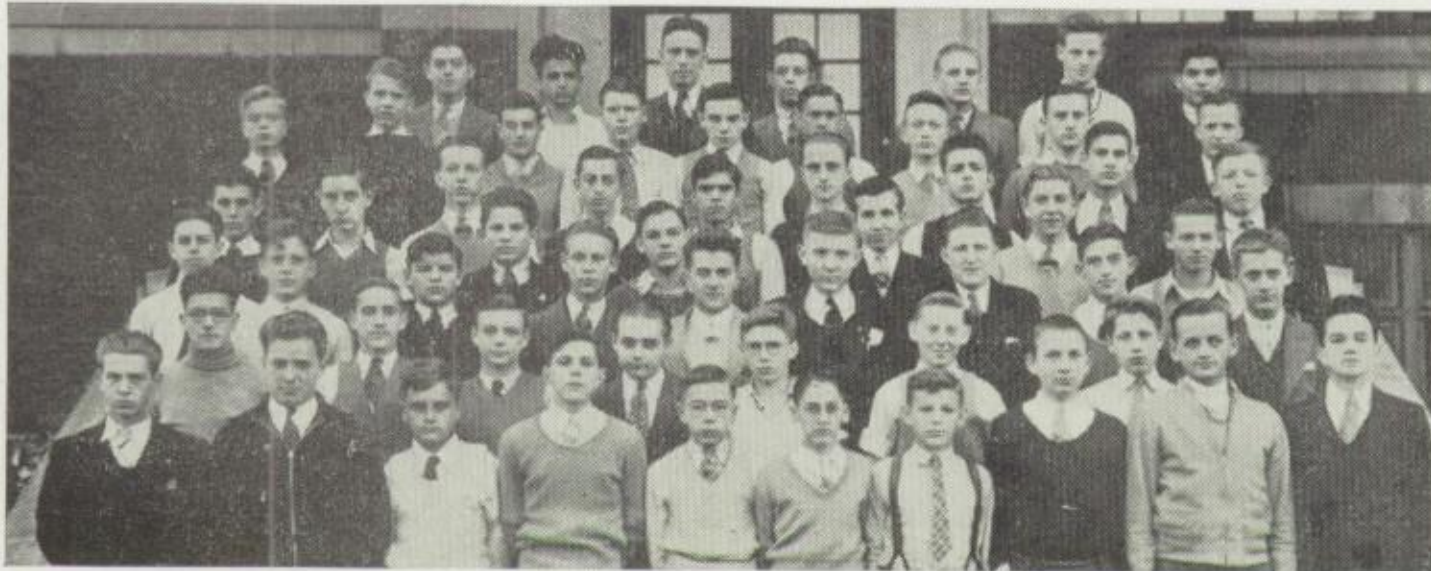

A GROUP of senior girls who participate in gymnastic work five days a week is organized under the direction of Miss Elisabeth K. Eyre, who gives them instruction concerning how to conduct a class in the teacher's absence from the floor and acquaints them with several other phases of athletic instruction.

By assisting in the gymnasium classes, which are quite large, the members of this club have proved an invaluable aid to the teachers of the physical education department.

The squad leaders alternately call the classes together and prepare the group for roll call. In case a teacher is unavoidably detained, the leaders endeavor to conduct the class routine as would the instructor were she present.

Stagecraft Club

President.....Robert Daniels
 Vice President.....James Woomer
 Secretary-Treasurer.....Fred Hagerty

 Second row—Reed, Eckhard, Goodyear, Logue, Shaw, Dodson, Metzger
 First row—Doll, Hileman, Stowder, Stewart, Leader, Fiore, Wilt, Schmidhammer, Lytle, Hartsock

THE Stagecraft Club was organized with the purpose of aiding boys interested in the principles of stage settings and management. Lectures are given by the sponsor and by various other persons well informed on the subject. Experienced boys aid the newer members so that they may help efficiently in the work. The club also makes and studies modern miniature stages.

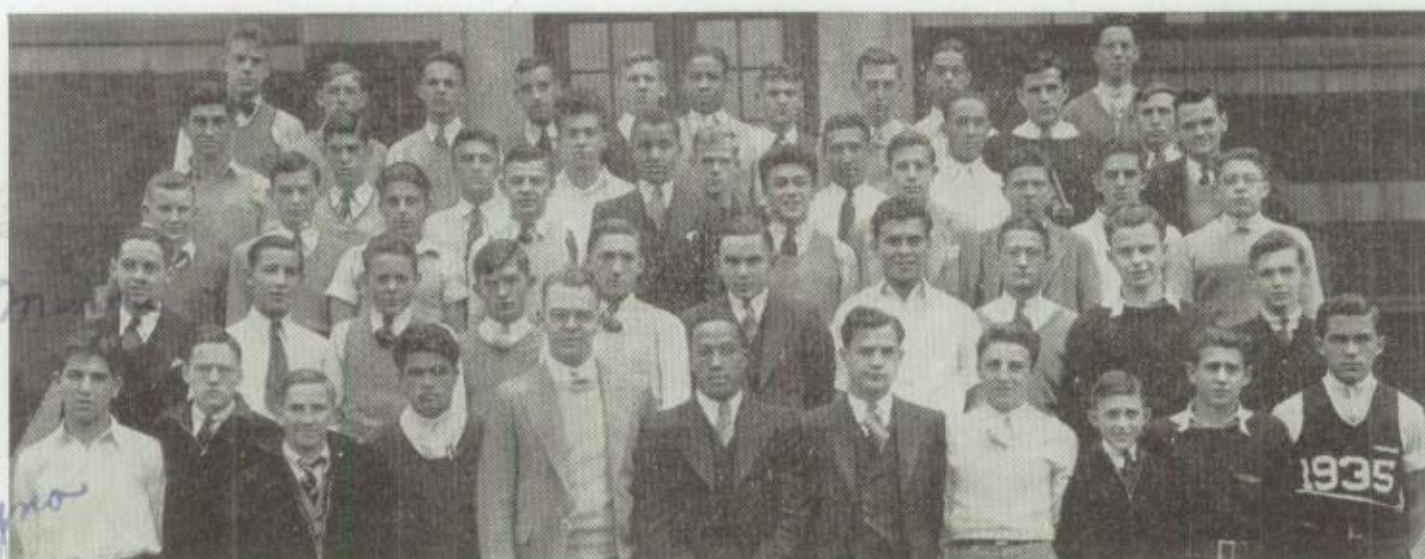

Aside from providing the members with valuable information, the club enables the school to have at its call a group of boys capable of doing stage work with the smoothness and alacrity so essential to the presentation of a good play.

The greatest achievement of the club is the assistance which it affords in the presentation of school plays, when boys are responsible for settings, scenery, properties, lighting, and other essentials. The club members have assisted with the staging of the annual plays, the Girls League play, the Boys Federation play, and with the commencement exercises.

THE Track Club was organized in 1929 under the sponsorship of Richard H. Bartholomew. This group now has an approximate enrollment of sixty boys who are in some way affiliated with or interested in track and field athletics.

The purpose of the organization is to encourage boys to participate in track sports and to enlighten them concerning many interesting and helpful activities that are included in track events.

The club has heard many speakers discuss important elements of the sport. From time to time, members of the club who have witnessed outstanding field and track events relate these experiences to their fellow-students. This club has proved very successful in helping those who are interested in track.

ONE of the big problems in the administration of the largest high school in Pennsylvania, the Altoona High, is the efficient handling of traffic in the halls. To meet this condition, a traffic patrol has been organized, composed of forty senior and junior students who were chosen for their commendable qualities in leadership, service, and reliability. They may be recognized by their maroon and white corridor patrol arm bands.

This group takes care of traffic on the stairs and general traffic throughout the school. On each stairway, traffic moves in only one direction and it is the duty of the patrol to see that no student goes against traffic. The patrol also tries to prevent running or other misconduct in the corridors.

Much credit is due to Miss Marie N. Lauver for her continual efforts for the betterment of the patrol. Under her leadership, the pupils in this group have been able to keep school traffic moving in an efficient and systematic manner.

THE purpose, as well as the motto, of the Ushers' Club is "service." The club was organized eight years ago under the supervision of Mr. Plummer of the vocational department, and has functioned ever since, by officiating at all plays, lectures, commencement exercises, and athletic events.

This group was formed to give the boys an opportunity to perform a service to the school as well as to instill in them the idea of responsibility. At each event where usher service is rendered, the boys are responsible for the seating and good conduct of the audience, for collecting tickets and passing programs.

On the whole, the boys have accepted in good spirit the responsibility placed upon them, and have done a creditable piece of work. They are proud of their jobs and handle them as gentlemen, remembering always that for members of this group service is a duty and a privilege.

THE Vivo Club, which had its origin in the Altoona Y. M. C. A. two years ago, aroused so much interest among the high school boys that it was added to the list of Boys Federation clubs this year, with an enrollment of thirty-eight members.

The object of this club is to promote good sportsmanship in athletics and to develop each boy physically, socially, mentally, and spiritually.

With the able management and coaching of the advisers, the Vivo basketball team proved to be very successful, as it won the boys' basketball tournament held at the Y. M. C. A. The Vivo Club and the Hi-Y Club, with which it is affiliated, sponsored a dance at the Altoona Cricket Club, which proved to be a very pleasant affair.

THE World Friendship Club, a comparatively recent addition to the list of Girls League clubs, has adopted a new plan of study for this year.

The members have endeavored to create a friendly interest in others by studying the speech, art, literature, and customs of the Indian, the Italian, the German, and the Irish. Interesting talks were given on the life of the Italian and the Indian. The program dealing with the customs of the Indian was especially fascinating as it featured the method of conducting the "Great Council."

The World Friendship girls try to make as many friends as possible in high school. In view of the fact that a school, as well as other organizations, must have some means of creating good fellowship among the students, this club makes an appeal to students of the coming years to join this band of workers and to carry on a work which is sorely needed both in school life and in the life which follows graduation.

The Season's Story

ALTOONA High had a very successful season on the gridiron this year, and school fans defy anyone to say it didn't. Seven victories and only four defeats is a record of which any school might be proud. In fashioning a fast, powerful and highly-touted Maroon eleven out of a raw and inexperienced squad, the coaching staff did a "bang-up" job.

Altoona was at her best and showed real strength and power when she defeated William Penn of Harrisburg, the aggregation that defeated the Maroon and White last year for the state title. The students of Altoona High School will always remember a team that was ever a bulwark on the defense, that flashed a powerful and versatile attack, and strove valiantly; a team that came up smiling, even in defeat.

WILLIAMSBURG ROUTED

The initial game of the season witnessed a fast, speedy Altoona grid-machine annex a 31-0 victory over Williamsburg. So concerted was the Maroon attack, that the team ran up a total of 27 first-downs to none for its opponent. Sheldon Savage, quarterback, intercepting a Blue and White forward, raced 54 yards for a touchdown. This was to be one of a series of long runs featured by Altoona grid men during the season. Garritano tallied twice; Stere and Blake, each once; Roger Blake accounted for the extra point.

It is interesting to note that three sets of "backs" were used, and each was able to gain. Thirty-four Maroon Warriors, attired in their new white jerseys which were adorned with a maroon triangle, helped launch the first game of the season.

DUBOIS RALLIES TO BEAT A. H. S.

One of the hardest-fought, toughest struggles of the season was waged on the Mansion Park field when DuBois took over Altoona. The Maroons were not destined to win this game, a game that seemed an Altoona victory until the last ten minutes of play. In the second chapter, when a DuBois punt was downed on its own five-yard line, Altoona was able to crash through for a score in three plays. The half ended with a score of 8-7 in favor of DuBois. In three power plays through the line, Blake jammed across the goal line in the final period to put Altoona in the lead 16-8. Victory seemed certain; but, alas, the tide turned. A 62-yard sprint by Shobert on a forward pass, a 30-yard run by Boring on a blocked punt, and another 59-yard sprint by Whitford on an intercepted pass resulted in touchdowns which gave DuBois a decisive victory.

Folks say that history repeats itself. But, here's hoping it doesn't repeat, next year, this defeat for Altoona.

A. H. S. TRIUMPHS OVER SOUTH HIGH

Altoona High rallied in the third period to beat a plucky Iron City Eleven to the tune of 19-14. South took the aggressive jump in the first quarter to score on a pair of passes.

The Pittsburghers gave a beautiful demonstration in the art of throwing passes. The Maroons were all eyes, and quickly followed suit when, in the third period,

Mastrocola, who was absent from the DuBois game due to injuries, scored twice on two forwards thrown by Kyle. Ganz intercepted a forward early in the fourth quarter, to skip for another touchdown.

South High gave another magnificent exhibition of passing ability by scoring a second touchdown and extra point on four forwards thrown by Grad, the right half-back. The Pittsburghers fought valiantly, but the Maroons were apparently the better team.

ALTOONA DROPS ANOTHER

The Williamsport Cherry and White romped to a hard-won victory with a tally of 21-13. There was one great battle throughout the whole game, and the Maroons certainly did not give up hope for victory until the final whistle.

The "Pre-Depression Millionaires" almost got away to score on the opening kick-off when Stebbins ripped off a 70-yard return of the parabola. Luckily, Mastrocola spilled him on the 25-yard line. The Emanuelites scored first and last. In twelve plays featuring fine runs by Kyle and Ward, Blake went over for the first touchdown. Unfortunately, a few errors on the part of the Maroons in the third period gave the Billtowners scoring chances, in which Stopper and Stebbins tallied. Two fumbles and a missed punt signal on the part of the Altoonans gave the Cherry and White an advantage in the third chapter. However, in the fourth quarter, a partly blocked Cherry punt paved the way for the Maroon's second touchdown.

A. H. S. DOWNS LOCK HAVEN

A strong Maroon Eleven with a lot of pep and fight trotted on the field that October day to give the Purple its fifth consecutive trouncing. It didn't take long for the Maroon battering ram to push through to the Lock Haven 16-yard line. Then Blake faded back and winged the pigskin to Kyle, who carried it across for the first score. In that same eventful period, after intercepting a Purple forward pass, Ward ran straight up the field, eluding all tacklers, to score.

The Maroons played a most remarkable game in that they persistently broke through to throw the Clinton county lads for a total loss of 53-yards, on thirteen different occasions. Starting the second half, the splendid defensive rallies of the Maroon forward wall kept the Purple and Gold from dead-locking the game. This courageous stand came in the third quarter, when the Purple was stopped on the Maroon 1-yard mark. Hats off to the Maroons on that day, particularly to Captain Hoenstine, Ward, and Kyle!

BISONS GET SETBACK

More than fifteen hundred Maroon rooters took the trip to Clearfield to see a furious Bison Eleven battle with Altoona. Holding Altoona scoreless for three periods was really a moral victory for the Red and Black. It looked almost as if the two teams would battle to a deadlock, until Heverly's 20-yard return of a Red punt started the Maroon grid machine rolling. McDowell, in two tries, cracked the line for fourteen yards. Kyle went over for the touchdown. The score was 6-0.

This was a big game for Clearfield, the best one staged there for a long time. Black is a color of ill omen, some say. But not so on this day, by cracky! The Altoona lads came off with flying colors, in spite of dusky jerseys.

WILLIAM PENN UPSET

Nothing has ever given the Maroon fans more pleasure and satisfaction (except, perhaps, a victory over Johnstown) than the beating the "Billy Penners" sustained that Saturday on the Mansion Park field. They defeated Altoona last year for the state title, and so the Harrisburgers came here expecting to carry home the bacon. But, it so happened, they couldn't take even a piece of it. The score was 20-0, ALTOONA.

Each one of the Altoona backs smacked the line with irresistible force. Luckner, Kyle, and Riley each made a touchdown. Billy Schmidt place-kicked for one of the extra points. This was a novelty, for the Maroons hadn't drop-kicked for a long time. Lawrence Riley, fullback, deserves honorable mention in these chronicles, for his outstanding line-bucking on that day, thereby earning for himself the lasting appellation, "Ram Riley." Throughout this game, whenever the Maroons clicked, nothing could hold them.

It is interesting to note that "Vic" Emanuel, assistant football coach at William Penn, is a brother of "Snaps." This assuredly made the contest one of very special interest.

HUNTINGDON VICTORIOUS

Well, another week has gone by. Last Saturday, Dame Fortune smiled on the Altoona boys; this week, however, she smiled on the Huntingdon boys. For the first time in eleven years a Huntingdon Bearcat Eleven was able to defeat and to hold an Altoona team scoreless. The Huntingdon fans were in a frenzy of excitement. The Altoonans were stunned.

Captain Hoenstine played a bang-up game. Many a time he slipped through and tossed the Bearcats for a loss behind the line of scrimmage.

Despite the trio of touchdowns that made the Huntingdon victory, Altoona High really had a fine defense, but didn't take advantage of any of those great goal line stands that checked the Huntingdon advance. Unfortunately the Bearcats scored at the most unexpected times.

It is only fair to say that the Bearcats were deserving of heartiest laudations, and their most able captain, Wendell Wear, is to be especially commended.

"JAWNS" WIN

A blocked punt and a completed forward pass in the end zone gave Johnstown High the victory in the fourteenth annual gridiron clash, 12-2.

A crowd of twelve thousand at the muddy Point Stadium grounds watched an undefeated Johnstown Eleven desperately trying to overcome a Maroon lead of two points in the first period of that game. The Altoona fans went wild in that first quarter when a Riley punt dropped 6 inches from the Johnnie goal line, and Napotnic, on the next play, was thrown behind the goal line for an Altoona safety. But, alas, in a veritable sea of mud, the Jawns were better "mudders" than the Maroons, and they succeeded in tallying twice. A Maroon triple reverse play, ending in a forward pass, was considered the best play of the game, even though it failed. It brought great applause from both the Altoona and the Johnstown fans.

Each of thirty-two Emanuelites was given his opportunity to taste of the mud and water. Johnstown kept its lineup intact, using only three subs.

It was estimated that twenty-two hundred persons jammed the coaches of the special train leaving Altoona that Saturday. It was the biggest special which had ever left Altoona for a football game. Several thousand fans took the trip over the hills by auto.

Despite the defeat, Altoona fans were consoled by the fact that the Emanuelites were the first to score on the Johnnies this season. Veritable "Polyannas"!

A. H. S. SWAMPS PORTAGE

After missing fire for two consecutive games, the Maroon avalanche, moving with the relentless power of a war tank, drove through to a 27-0 victory over Portage. It was an ideal day for a football game,—clear, dry, and cool. It was the fourth straight year that Portage was humbled in the just-before-the-holiday game.

Starting with terrific punch and drive, the Maroon team jammed across its first touchdown in the early part of the first quarter. The second count came in the fourth play of the second period. The spectators saw a game that was filled with nearly every thrill that football holds. The two big thrills of the game came when Ward streaked through center, sidestepped, and dodged to sprint 69 yards for a touchdown. Riley ran an intercepted pass for another tally.

During the intermission, the Altoona and Portage bands exhibited some fine drilling. The Portage band formed the double "health seal" cross.

TYRONE CRUSHED

Displaying a varied and deadly offense and defense which held the Orangemen to very little net gain, the Maroons overwhelmed Tyrone by a 26-0 score in the annual "Turkey Day" game. It was a beautiful day for a football game, and the largest crowd of the season attended. The Tyrone stands were jammed, and those fans certainly weren't sparing their vocal cords.

Three of the Maroon touchdowns were made on long, thrilling runs. Rabbit Ward ran 72 and 53 yards from scrimmage to score twice. George Stere tallied on a 32-yard sprint. In that wind-up game the Maroons were a smooth-going, hard-hitting, and peppy bunch. Tyrone's best play was Scardo's 41-yard return of the kick-off in the third chapter.

In this game, every Maroon warrior was given a chance to play except Blake and Armstrong, who were incapacitated.

Junior Varsity Football

THE Junior Varsity is coached by Paul Morse, with Hugh Black as assistant coach. The purpose of the Junior Varsity organization is to give training and experience to a very large number of football applicants who are endeavoring to make the Varsity squad. These boys work just as hard as the regular team and receive many hard knocks as they engage the Varsity in practice scrimmages.

At the beginning of the season there were several hundred confident boys who had ambitions to play on one of the two football teams. All could not be successful, however. Those who showed the greatest ability received positions on the Varsity, but the majority of applicants went to the Junior Varsity. The remainder were dropped from the squad entirely.

Out of a total of six games played last season, four were wins and one a tie; one defeat was encountered at the hands of Robertsdale High School by a 7-6 score. Following is the schedule of the games played and the score of each:

October 6	Jay Vees.....19	Home	Snow Shoe High School.....	0
October 13	Jay Vees.....33	Home	Replogle High School.....	0
October 20	Jay Vees.....26	Home	Carrolltown High School.....	0
October 27	Jay Vees.....28	Home	Spangler High School.....	7
November 4	Jay Vees.....12	Home	Lilly High School.....	12
November 11	Jay Vees..... 6	Home	Robertsdale High School.....	7

Only 26 points were scored against the Jay Vees, while they piled up a total of 124 against their opponents. This splendid record was made through the cooperation of the boys on the team and the efficient coaching of Mr. Morse and Mr. Black.

The attendance at the Junior Varsity games was not so large as that at the regular games, but it was large enough to inspire the home team to victory. There was no admission fee for the games played on the Junior Varsity's own field, but when the regular field was used a small admission price was charged. These games were exciting and interesting, and each held its moments of tense expectation.

Basketball Season

(Sing to the tune of "When Johnny Comes Marching Home")

*Basketball season once more is here, hurrah! hurrah!
Let's give the boys a lofty cheer, hurrah! hurrah!
For didn't they beat the Johnstown Hi,
The winner of the County-Tri?
So hail, all hail! to the A. H. basketeers!*

MAROONS DROP OPENER TO ALUMNI

The classy Altoona High Alumni team clinched a hard won victory in this extra period cage game, 27-26. The graduates, finding very little opposition in the first half, rang up a safe lead against the new A. H. S. combination. Starting the second half of the game, a rejuvenated Maroon five made a remarkable comeback. When the final gun barked, the game stood at 22-all. In the extra five minute period, the game was fast and furious. Knepley on a perfect tip-off from center dribbled down the floor to make the necessary basket which gave the Alumni the edge in this closely contested battle. "Chitz" Gracey was high scorer, caging four field goals and two fouls.

JUNIATA COLLEGE FROSH TAKE DEFEAT

The Juniata Frosh hoopmen furnished very little opposition to the Maroon quintet during the first half of the game. Even though Mintemier and Davis staged a rally for the college boys after the half, they were unable to overcome the safe lead held by the Maroons. Superior passing and floor work in the initial chapters gave the Emanuelites a decided edge. The score was 33-24.

MAROONS TOPPLE EDGEWOOD SCHOOL FOR DEAF

The Emanuel cagers took an apparently easy victory from the Pittsburgh Edgewood School for deaf, 38-18. The Maroons led in every period except the fourth, when the Edgewood passers in a final spurt scored 14 points to Altoona's 6. In the final session, Coach Emanuel inserted the second string players, who adequately finished the contest. "Nick" Ganz and "Rabbit" Ward took the honors in point-scoring.

A FERNDALE VICTORY

A big and fast Ferndale team, playing a rather cautious game, managed to come out on the heavy end of a 21-12 score. The Maroons counted only two field goals throughout the whole game and caged eight fouls. The Ferndale boys, who had an advantage in weight, constituted a combination which the diminutive Maroon passers found hard to beat.

MAROONS DROP TO WESTMONT

In this keenly fought cage game the Maroon passers emerged second best, the score being 23-18. The Westmonters took the first period 6-4; the half ended with Altoona in the lead, 9-7. Ward on three consecutive occasions tied the game for the Emanuelites. However, in the third period the Hilltoppers' excellent passing attack brought them to the front again, and they retained the lead to the finish. The Enghmen's short passing, pivot and fast-breaking offense enabled them to constantly elude the Maroon guards for close-up and easy side shots.

EMANUELITES LOSE TO JOHNSTOWN

The Altoona High hoopmen, featuring a fast start carried the first chapter 4-1. The Blue and Black took the second period 10-4 and led 11-8 at the half. The Maroons took the third period with the score 15-14. The Johns carried the windup, ringing the net for a trio of baskets and four fouls. The game ended with the Maroon basketeurs on the small end of a 25-18 count. It was the first "at home" game the Coach Harrick team won from Altoona in seven years.

WINDBER SQUELCHED

After three successive losses the Maroons hit their former stride to wallop the Windber "coalminers," 31-17. The Altoona boys clicked. Showing fine defense work, and giving a beautiful passing exhibition, the Maroon and White easily and sedulously penetrated the Windber defense. "Nick" Ganz was high point man, with four field goals, while Humphrey and Parsons had seven points each.

BILLTOWN TAKES ONE

The Maroon hoopmen gave Williamsport a terrific battle on the latter's own court, 26-21. The Cherry five carried the first three sessions, while the Emanuelites garnered the fourth, 9-7. Altoona ran up a total of seven fouls to six for the Billtowners. "Nick" Ganz and "Bill" Parsons featured for the Maroons, the former scoring seven and the latter six points. Since the Maroon rally in the fourth quarter could not overcome the Billtown margin, the Cherry and White nabbed the decision 26-21.

MAROONS TAKE OVER PORTAGE

Displaying plenty of fight and spirit, the A. H. S. basketeurs nosed out a scrappy Portage five, 28-26. The Maroons led the first three periods until a Portage last quarter spurt deadlocked the game 26-26. With but a few minutes to play, Paul Whyte, sub center, rang the net to clinch the verdict for the Maroon passers. Fouls were numerous, the teams sharing almost equally. As a result three Altoonans and two Portagers were ejected on personal fouls. P. Whyte was high scorer for Altoona, rolling in two field goals and four fouls.

WESTMONTERS WIN AGAIN

In what proved to be one of the most interesting games of the season, one that featured every thrill basketball can hold, a game accompanied by a chorus of howls and yells, Altoona lost, taking a 26-21 count. What really won the game for the Westmonters, was their ingenious holing of long shots. Westmont, getting off to a 6-2 lead, held until the third round when the Maroon hoopmen shot ahead. The Hilltoppers retained the lead, 19-15. It wasn't long till Schmidt's two pointer and "Rabbit" Ward's two masterful foul shots dead-locked the game. In the extra three minute period, Spuhler's three excellent and accurate shots from near the center of the court pronounced victory for the visitors.

ANOTHER FERNDALE VICTORY

The Ferndale cage five emerged victorious in its second tilt with the Maroon quintet, the final count standing at 33-18. The Maroons, obviously being in a state of somnambulation, found it difficult to counter. Paul Whyte, however, played a fine game, ringing up three field goals and four fouls.

MAROON AND WHITE SWAMP PORTAGE

The Portage High quintet fell for the second time beneath the Emanuelite onslaught. Although the Varsity had a little difficulty in getting started, the tally for this tussle was 32-10. But after gaining in momentum, they were hard to stop. The Altoona warriors took every period, tallying without any trouble 4, 8, 10, 10 respectively for each chapter. At no time was the "Junior House of David" a threat. Bill Parsons was the outstanding scorer, counting five goals and two fouls.

(The Portage players threatened to dispense with shaving until they won their next game.)

WILLIAMSPORT VANQUISHED

An alert and aggressive Maroon basketball team, which functioned smoothly at crucial moments, defied the "Billtown Jonah," 16-9. Although this is one of the lowest scores on record for cage competition, the game was played with terrific speed. Until the finish there was always doubt as to the winner. The Cherry took the first half by a one point margin and the Maroons spurted to the front in the third chapter. Two field goals by Bill Parsons in the last minute and a half provided the Varsity with its margin of victory. Whyte took the individual scoring honors, caging three field goals and two fouls.

WINDBER TAKES SECOND LOSS

The Windber "coaltowners" suffered another disastrous defeat at the hands of the Altoona hoopmen on the former's own court. The Maroons registered on the heavy end of the 27-14 tally. The score read 11-10 at the half for Altoona, appearing to be a rather closely contested encounter. Evidently a little bit of Emanuel fiery talk altered the situation, for the Altoona boys ran wild in the final two chapters. Bill Parsons was high scorer, landing five field goals and two fouls.

JOHNSTOWN DEFEATED

The Altoona High quintet paid a fitting farewell to the 1934 basketball season by defeating the invading Flood City Five, 20-19. More than fifteen hundred people, occupying every bit of available room, witnessed the Maroon windup. The Johns took the first half 11-6, while the Maroons came back strong in the third period to deadlock the game at 12-all. A free toss and a basket by "Bob" Smith gave the Maroons the edge in the final chapter. The Jawn score was almost entirely due to their superior foul shooting in which eleven of their points were made. The windup session featured a smattering of football and a whale of excellent basketball.

Track Season, 1933

UNDER the able direction of Coach "Dick" Bartholomew, track and field events have become one of the major sports of the Altoona High School. The city seems to be producing bigger and better track men every year, the latest season being no exception.

The season of 1933 opened with the Varsity Alumni meet at Mansion Park field on April 15, when the Maroons carried off the scalps of the ex-service boys to the rousing tune of 69 to 5.7 points. V. Hanley took the trophy for the hammer-throw, having tossed the missile 145 feet. With this heave the record established by Rouzer in 1931 was shattered; Rouzer himself threw second best and D. Hanley third. In

Fourth row—Little, DeRose, Blake, Kimmel, Ramsey, Garritano, Stere, Armstrong, Beckman, Hite
Third row—Mr. Bartholomew, Ebersole, Davis, Stoop, McCoy, Rothrock, Mastrocola, Fleck, Hanley, Hum-
erick, Banks, Stevens, Miller, DiVentura, Weissinger, Azar, Raup, Williamson, Piotrowski, Irvin,
Harr.
Second row—Ward, Hoover, Gruber, Keagle, Winn, Hanley, Hicks, Hallman, Watson, Judene, White, Mc-
Cord, Clark
First row—Johnson, Harmon, Miller, Harding, Thompson, Miller (manager), Wharton, Long, Leonard,
Patterson, Luckner

the pole-vault Hallman scaled the bar at 11.5 feet, setting a new record for that event. Wharton and Neugebauer tied for second place. Highest honor in the high-jump was claimed by Muir, of the Alumni, with 5 feet 2 inches as the height. Hicks won first place in the 100-yard dash, time 10.1 seconds. (Appears we have a dusky Mercury in our midst.) Clark and Stere humbled the Alumni in the mile and 220, respectively. The Varsity team, Hicks, Watson, Ward, and Fluke, placed first and second in the relays.

The Maroons "copped" the mile relay at Philadelphia, on April 29, the state championship in that event, thanks to Ward, Fluke, Watson, and Hicks. The same team with the exception of Fluke, who was replaced by Patterson, came in seventh for the national relays.

In keeping with the family tradition, Altoona, on May 6, ran off with the inter-scholastic meet at Penn State, taking first place in the 440-yard dash, 1-2 mile and mile runs. When Altoona breasted the tape in the relay, it was with a 30-yard lead on Lower Merion, running second. At this meet Altoona took 46 1-2 points while Lower Merion took only 31 1-2 points.

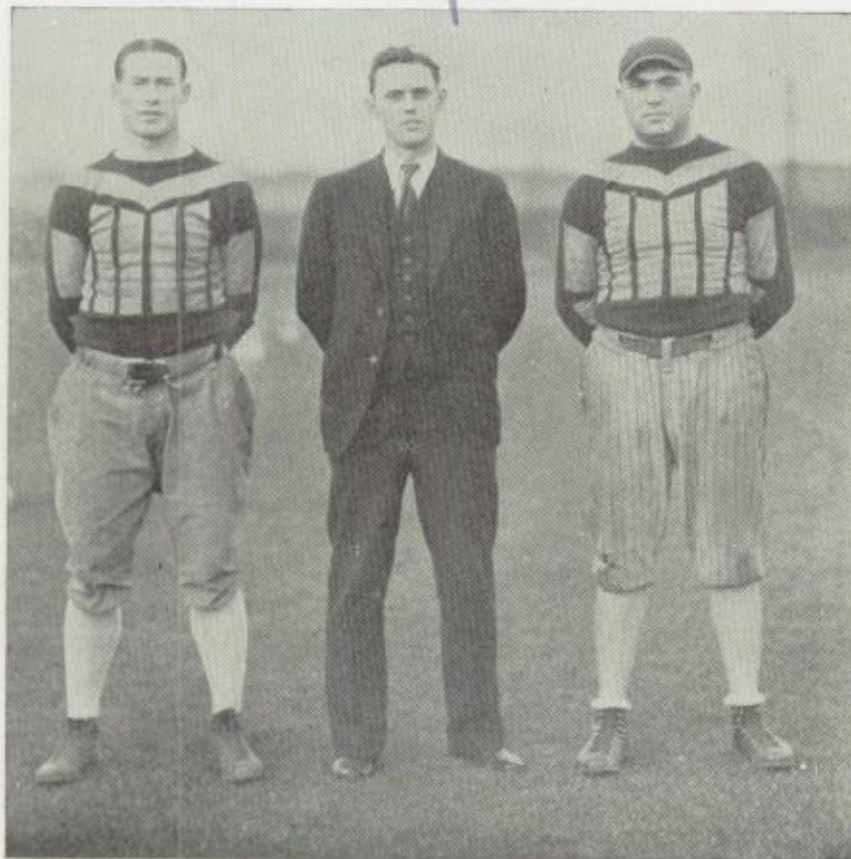

May 13 Altoona piled up an overwhelming score at a triangular meet on home ground by completely submerging her opponents with a score of 111 2-5 points. State College scored 14 and Lock Haven 17 3-5 points. Ward took the individual scoring honors by winning the 100-yard dash, the 220-yard dash, and the broad jump; V. Hanley and Stere rated second in points scored.

Altoona won the District Six track meet for the fourth consecutive season on May 20. The locals garnered 93 points; State College, the "runner-up," gained but 20 points. Ward was again high-point man with Smith of Cresson as second.

Coaching Staff

Head Coach.....Edward F. Emanuel
 Line Coach.....Kenneth R. Bashore
 Trainer.....Richard H. Bartholomew

R. H. Bartholomew

Mr. Emanuel, Mr. Bartholomew, Mr. Bashore

THE success of the various athletic enterprises in Altoona High School is largely due to the skilled technique of Edward F. Emanuel, the head coach. "Snaps," as he is commonly known by students and friends, has engineered the many achievements of the football and basketball teams for the last eight years, during which time he has produced teams that have made for Altoona a prominent place in athletic circles of the state. Mr. Emanuel is a product of Gettysburg College, where he won letters, during his undergraduate days, in three major sports. He was one of Gettysburg's shining meteorites and now he shines as Altoona's "A No. 1" coach.

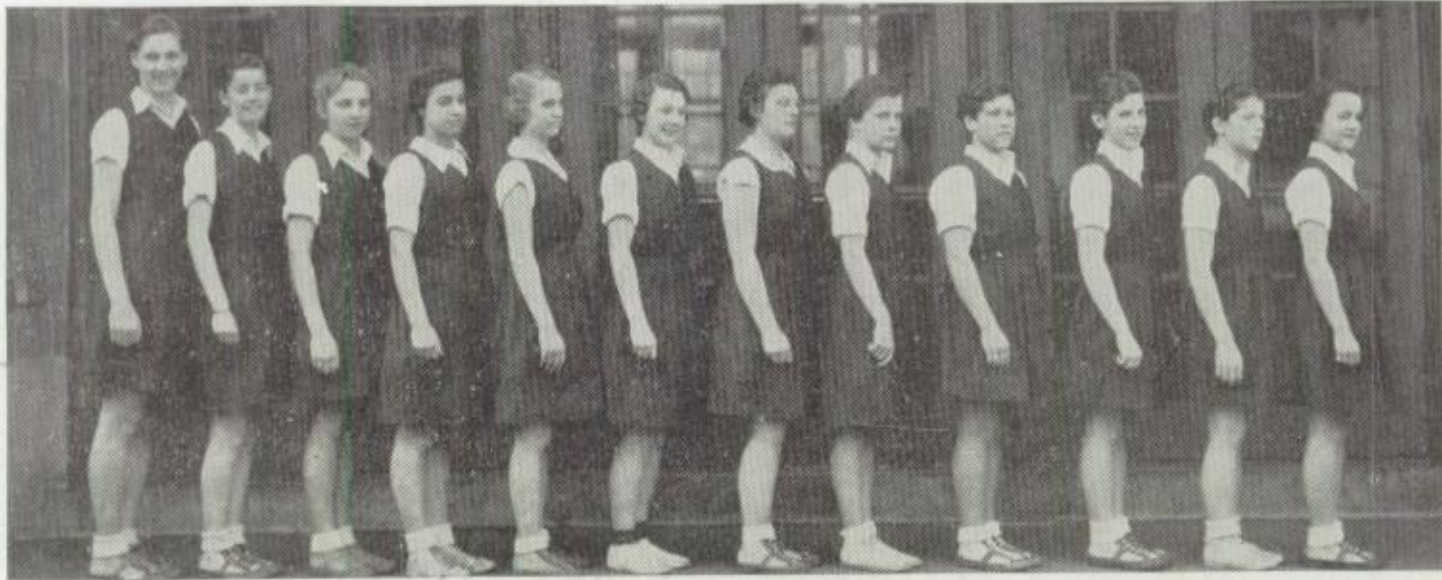

Richard Bartholomew is indispensable to Altoona High athletics. "Bart" is a competent and clever track coach. He knows the fine points of the game, and has been instrumental in producing excellent track teams. He began his athletic career in Altoona High football and track and continued his training in Penn State where he distinguished himself as captain of his track team. Mr. Bartholomew became widely known when he figured in the national intercollegiate competition for 1927.

Kenneth R. Bashore's efforts have been concentrated on the line of the football team with very fine results. Mr. Bashore prepared at Shippensburg State Teachers College and Colgate University; in the latter school he had the distinction of being the "crack" captain of a "crack" football team. Before coming to Altoona High, he was retained at Galeton and Beaverdale High Schools in the capacity of head coach. With this training and experience, Mr. Bashore is admirably fitted for the part he plays in athletics.

Girls' Hockey Team

HOCKEY for the year 1933-34 started in September with interest and enthusiasm, but due to inclement weather conditions it was abandoned until spring. However, three games were played—two with the Alumnae, one of which resulted in a 0-0 score; the third with Penn Hall on the adversary's field where Altoona was defeated.

Hockey, though still in its infancy as a high school sport, is fast gaining popularity and may, in the future, obtain a major ranking.

McGirk, McConnell, Smulling, Johns, Johnston, Dunmire, Mattas, McIntyre, Stere, Replogle, Eichelberger, Vaughn

From the three class teams, Misses Eyre, Kantner, and McGinnis chose the varsity team composed of the following girls:

Right Wing.....	Ina Grace Johnston
Right Inside.....	Sara Stere
Center Forward.....	Helen Replogle
Left Inside.....	Virginia McConnell, Captain
Left Wing.....	Eleanor Eichelberger
Right Halfback.....	Marjorie Vaughn
Center Halfback.....	Mary Jane Smulling
Left Halfback.....	Betty Dunmire
Right Fullback.....	Marjorie McGirk
Left Fullback.....	Margaret Mattas
Goal Keeper.....	Phyllis Johns

Girls' Basketball Team

THE Girls' Basketball team, captained by Helen Replogle, closed one of the most successful seasons in the history of A. H. S. athletics for girls. Being defeated only once, by a fast Windber team, they gained for the second successive year the Tri-county championship. After the girls won the lead at the first of the season, their ranking was threatened only by the Ferndale lasses. Setbacks from other conference teams, however, soon ended this situation and Ferndale became "runner-up."

Third row—Briggs, Mock, Kelley, McGirk, McConnell, Brice, B. Warner
Second row—J. Warner, Stere, Mattas, Smulling, Dunmire, Stackhouse
First row—Shiplett, Eichelberger, Replogle (captain), Womer, Snyder

The squad is capably coached by Miss Elisabeth K. Eyre, physical director for girls, and by Misses Jean E. Kantner and Frances E. McGinnis, physical education teachers. Nine major letters were awarded to players, eight to members of the senior class and the other to Louise Briggs, who was chosen to captain the 1934-35 team.

Members of the squad are:

Intramural Sports

IN keeping with a modern trend in athletics, Altoona High gives an opportunity to a large number of students to participate in a program of intramural sports.

These athletic events are played between the different rooms and other organized groups of the school. Each year many interesting games are staged by these intramural participants. Some of the sports indulged in are mushball, baseball, volley ball, touch football, track, basketball, boxing, and wrestling.

These sports develop athletic ability and foster a good feeling among the attendance rooms. An intramural committee schedules all events. Any group which fails to appear for a scheduled game is "blacklisted" and is not permitted to take part in intramural sports during the remainder of the year.

The intramural sports manager for this year was Isador Brooks, who had as his assistants Morris Levine, Merrill Shinafelt, Paul Griffith, Leonard Shuffstall and John Yingling.

The following individuals and home rooms won intramural contests this year:

Volley ball—114 beat 201 two games out of three for the third successive championship.

Baseball—221 defeated 216 by a score of 4-2.

Mushball—223 defeated 118 by a score of 8-6.

Track—305 won with 26 points.

Touch Football—214-216 (divided room) won the championship from 210.

Foul Shooting Tournament—Merle Boslett won with 70 out of 100 shots.

Basketball—303 won from 204 by a score of 23-20.

Cheerleaders

THE cheerleaders, under the direction of "Pop" Lindaman, endeavor to inject pep and enthusiasm into the student body during the football and basketball seasons. In previous years the squad was composed of a group which varied from three to five members; however, a new plan was tried this year which permitted a large number of boys to participate. The present squad consists of a head cheerleader, John Moser, who was a member of last year's squad, an assistant cheerleader,

Third row—Glenn, Bookhamer, Hobson, Hoffman
Second row—Tiernan, Fick, Montgomery, Bloomfield, Ross
First row—Muri, Moser, Ramsey

Fred Fick, and Ed. Bloomfield, Bob Bookhamer, George Hobson, Bob Ramsey, Leo Muri, James Hoffman, Chet Montgomery, Charley Glenn, Tom Tiernan, George Ross, and Bob Fleck.

The method used in selecting the cheerleaders is one by which every boy who tries out has an equal chance. Several weeks before the first football game, all prospective candidates are called together for a lesson in fundamentals, which they practice for about two weeks. After this time, the candidates, forty in number this year, are eliminated by competition until the desired number is reached.

It is the duty of the Cheerleaders' Squad to pep up the student body to support athletic games, to inspire the teams to play their best for the glory of their high school, and to lead the students in organized cheering at athletic events. All the cheerleaders were on the squad at each home football game, and the majority of them traveled with the team on the out-of-town games.

Music

THOSE who are concerned with the profitable use of much-talked-about leisure time may well be interested in the numerous opportunities offered in the music department of Altoona High School, where students assemble for training in both vocal and instrumental music. From chorus groups, several orchestras, and a band, the school and other organizations of the city have drawn freely for excellent programs. The music department makes the school a happier place in which to live.

The climax of activities in this department comes in the Annual Show. From the proceeds of this production, substantial contributions are given to the welfare fund of the school and THE HORSESHOE. The Senior class appreciates this assistance, without which the balancing of the yearbook budget would be a difficult task.

"Lights, orchestra, curtain!"—and the show began. It was the Annual Show and was it a hit! The audience breathlessly enjoyed every minute of it, as they sat on the edge of seats, expectant, and eager. Talent unheard of—singers, dancers, actors, and actresses—blazed forth in this annual presentation of the Altoona High School! For many weeks a large group of teachers and students worked faithfully to make this presentation a success. The school is especially grateful to Mr. Lindaman, the director, and his able co-workers—to Miss Elma Eberle for the musical selections, to Mr. Krivsky for the contribution of his orchestra, to Danny Dandrea for the clever skits, and to Miss Rodkey for dramatic numbers. As evidence of the success of "1934 Highlights" one might say that over six thousand people attended the four performances given on Thursday, Friday and Saturday nights (March 15, 16, 17), and the matinee presented on Saturday afternoon in the Roosevelt High School auditorium.

Mr. Krivsky's talented orchestra played a few selections before the curtain rose, among which was that beautiful song-hit of the year, "The Last Round-up." Girls dressed in summery frocks officiated as ushers.

The first presentation consisted of five clowns who made the audience "roar" with their laughable mistakes in trying to adjust themselves to say "HELLO FOLKS." In this same act, the acrobats and tumblers, much to the merriment and enjoyment of the audience, performed some very breath-taking feats.

During the intermission, Ann Weiner and Anabell McKinney rendered vocal solos and then Amagigkasimeisuskiski (try to pronounce it) blared forth. You should have heard the "Oh's" and "Ah's" when he brought those little kittens out of his pockets. Maybe he wasn't a magician—in fact, there's evidence that he was only "Joe" Waxler.

The Russian act was excellently staged and interpreted. Against a bare, snowy background, a scene was enacted depicting the cold, domineering masters of old Russia and then the military forces of new Russia. The motto of the new Russia, "Onward, Forward," was the theme, and the liberation of her people was dramatized in a beautiful dance by Sylvia Raab. Eskil Beckman acted as czar, with Wilma Barr, Mary Rusynyk, Bill Kearns, and Dick Luckner as peasants. The close of this act featured a dance by Jeannette Cramer and Francis Phillips.

Among the numerous specialties, Jane Snyder presented a soft shoe dance. Joe Penner was impersonated by Gabriel Chido (or perhaps it was Joe himself) and he, with Mary Louise Hinman, delighted the audience with a cleverly devised skit. Marjorie Treese in her white satin and white fur costume gave a charming dance to the lilting melody of "It's Winter Again," played by Mr. Krivsky's orchestra.

HOWARD W. LINDAMAN
Music Director

The drop curtain of the next scene revealed the blue lake of Killarney. Janet Stultz and Tommy Hartsock, as Kathleen and Michael, recalled the lovely songs and dances of Erin. How delightfully sung were the ballads "Where The River Shannon Flows," "When Irish Eyes Are Smiling," and "My Wild Irish Rose." Evelyn Satterfield and Esther Henry gracefully danced the Irish jig.

At the close of this act, the "blues" soloist, Eleanor Veleno, sang "Lullaby Blues" and "Some of These Days," as only Eleanor can sing them.

Ted Healey and his stooges put on some face slapping and fast fun in their acts. The parts were enacted by Jimmy Lafferty, Billy Schmidt, Bill Wolfe, Tom Teirnan, and Pat McGuire.

In the ranch scene, the picturesque cowboys lingered languidly before the Quien Sabe ranch while they sang "All Pals Together" and "On the Big Corral," with Hugh Torrance acting as Will Rogers—lariat, mild philosophy, and all! George Croft as a "hill billy" sang, "The Last Round-up," thrilling his listeners with the way he hit those bass notes. Jane Grimshaw and Ann Ohlwiler, clad in cowboy togs (yes, they even had guns), put on an animated dance number. Margaret Houtz sang "Way Out West in Kansas," playing her own guitar accompaniment, and introducing a clever yodeling between each of the verses. Ruth Marcus also presented a charming Spanish dance and Gabriel sang "Rose Marie."

As specialties, Don Harrison impersonated Eddie Cantor and Billy Batrus represented Jimmie Wallington. "Me Too," which included "Skipper," Janet Stultz, Martha Flegler, "Berky" Berkheimer and Gabriel Chido, brought gales of laughter from the audience, especially when the actors made clever allusions to high school teachers (not meaning anyone in particular).

The Indian scenes were lovely. Wilma Barr presented Hiawatha's wooing and the chorus, clad as Indians with blankets and head feathers, sang "Pale Moon" and "Indian Dawn." Gabriel Chido appeared as Hiawatha and Janet Stultz was a lovely and alluring Minnehaha. They sang together the "Indian Love Call."

Betty Brunhuber's tap dance was artistic, and the trio of piano accordions, played by Gerald Benson, Theda McMahon and Bill Dent, gave added variety to the program.

All the stage scenery was beautiful, but Ray Bohn turned out his masterpiece in the scene for the old English garden act, the last on the program. A group of girls in colorful organdy frocks seemed like real flowers, but they woke and danced at a wave of the gardener's sprinkling can. A clever farm scene was introduced during this act, with a setting of a farm silo and two realistic haystacks. Dances and drills were presented by the farmers, farmerettes, and gypsies.

A quartet—Mary Curtis, Eleanor Veleno, Jim Lafferty and Bill Schmidt sang vocal selections; two setter dogs also appeared in this act. Then the trick dog (Leo Muri) in charge of Don Stegmier and Gale Reffner, as a delightfully "dum dora," enacted a comical skit.

Ann May Berkheimer featured a difficult acrobatic dance. Then to climax the act, Mary Louise (Elsie) came in as Gabriel's (Mr. Brown's) long-absent lover. Here he again entranced the audience by singing "Moonlight Madonna."

The grand finale, with the large company of student players on the stage, brought to an end one of the best and most successful school shows in years, the credit for which is due to tireless work and endless training by all the participants.

Band

Director.....Frank Krivsky
Drum Major.....John Simms

UNDER the direction of Mr. Krivsky and with John Simms as drum major, the Altoona High School band, consisting of sixty-five members, added much enthusiasm to all football games and served to keep up school spirit. Undaunted by weather which was the coldest of many football seasons, at every game the band marched proudly down the field in their snappy maroon and white uniforms.

The annual concert given in April featured classical and semi-classical selections which were proof of the excellent work done by this organization during the year.

The student body does not lack appreciation for the faithfulness of this organization.

Girls' Glee Club

Director.....Miss Alma M. Eberle
Accompanist.....Aileen Snyder

THE girls of Altoona High School have an excellent opportunity to develop their musical talents by means of training given in the Girls' Glee Club, directed by Miss Alma Eberle. The club meets on Tuesday and Thursday mornings during the activity period, and in this limited time much is accomplished.

Fifth row—Dunn, Carter, Carles, Gleichert, McMullen, Heiple, Baer
Fourth row—Mallory, Ritts, Evans, Kepple, McCormick, Coho, Schandelmier, Russell
Third row—P. Creamer, Hower, Smith, Weamer, Stoudnour, Bott, Foor, Snyder, Darraugh
Second row—Flegler, Cornelius, Soyster, E. McGregor, D. McGregor, Tipton, Knepper, Weyandt, McCool, Miss Eberle
First row—Rusynyk, Snyder, Leamer, Bathgate, Coxey, Fox, Kough, J. Creamer, Ammerman

This course in music is designed to teach the members to read, understand, and appreciate music, as well as to give them an opportunity to sing and to take part in various activities of the school. Singing before an audience takes a certain amount of assurance, and work in the glee club helps to develop this trait.

The Glee Club takes a prominent part in the activities of the school and city—singing during many of the assembly periods, rendering appropriate music at Easter and at Christmas time, singing in the "Annual Show," and entertaining in various club, civic, and social meetings in the city.

Radio Flashes—1944

THIS is station WAHS, Altoona, Pennsylvania, joining the N. B. C. hookup.
Your announcer is Dean Grove.
Bong:

The Cleave's Cough Drop Company presents Jack Strassler, the man who sees all, hears all, and spills all.

Hello folks, I've just got back from Lake Placid, where I witnessed the winter carnival. The most spectacular performance was that ski-jump of the world champ, Bob Hite. However, Joe Hirt, Murray Weight, Eugene Crane, and James Winn, the famous toboggan team, gave us some thrilling moments when they swept by in their blue ribbon run. Miss Betty Warner, the queen of the carnival, had a severe cold and was confined to her bed yesterday by the advice of her physician, Dr. Herbert Thomas.

Speaking of doctors, Dr. John Shaffer and his company are expected to arrive in New York on Wednesday. Doctor Shaffer, as you know, has been big game hunting in Africa for the past three years. With Shaffer are the other well-known Altoonans—Arthur Fair, the taxidermist, and Professor Leo Schlachter, an authority on African wild life.

By the way, a colleague of Professor Schlachter is now recuperating at the Elizabeth Wilson Foundation rest cure asylum. The gentleman in question is Professor Hugh K. Torrance, who was found flitting up and down Eleventh Avenue attempting to catch Japanese beetles with a butterfly net.

While folks are enjoying the winter sports at Lake Placid, Philadelphia is enjoying sports of a different nature—the indoor kind. Not all the contests are over, but the results so far are: Eskil Beckman, owner of the Black and Blue Taxi Company, is the international Ping-Pong champion, while his runner-up is Pete Edmiston. The checker champ is none other than William Wolfe. The pewter poker cup goes to Don Wiesinger.

I am sending out an appeal for help. Miss Betty Kurtz, famous for her collection of odd animals, has just presented me with a pink polar bear which she captured on her recent exploration in the Arctic region, and I don't know what to call it. If you think of a good name, send your suggestion to me in care of this station.

There was a record-breaking temperature today. The mercury in Altoona, as reported by Miss Lois Walker, an official of the test plant, went down to 26 degrees below zero—the lowest record in ten years. On February 7, 1934, the temperature registered as low as 30 degrees below zero.

All New York was astir last night—the Metropolitan Opera House was afire! The famous tenor, George Stere, and the supreme Eleanor Veleno, stars at the House this week, were miraculously saved from death by a brave fireman, Isador Brooks. Some of New York's "400" who were in the audience received slight injuries in the mad rush for the exits. Miss Jane Berkowitz, society's most popular hostess, Countess Leonardo nee Hartswick, and Miss Jean Harris, the author of *Puny Puns for Puny People*, were among those that were rushed to the hospital.

England sends us word that our ambassador to that country, Alexander Notopoulos, is in high disfavor with the royal family. Ambassador Notopoulos was found carving likenesses of prehistoric animals on the royal thrones. (tsk! tsk!) Rumor has it that our present ambassador may be replaced by William Papadeas or Senator Howard Davis.

The season in our national capital is unusually gay this winter. Plans for a George Washington ball are now under way. Prominent social leaders, the Misses Helen Bowles, Ruth Freeman, Patricia McGuire, and Shirley White are in charge of the affair. Last week at Miss Ruth Anderson's valentine party the Kelley sisters and the Misses Helen Rhodes and Betty Rich were especially admired for their original costumes—they represented Faith, Hope, Love, and Charity.

While society is making gay in Washington, the capitol is also teeming with activity. President Welker has just vetoed the Child Suffrage bill which was promoted in the house by Senators Paul Griffith and Jane Sitnek. The controversy over the repeal of the sixteenth amendment is still raging. Three prominent business and political men who are on the side of repeal are William E. Burket, hair pin magnate; L. John Swartz, famous Washington photographer, and the Honorable Charles Montgomery, mayor of New York City.

There was quite an accident at Cross-Keys this evening. A Filer-Laubacher transit truck driven by William Crawford crashed into a Packard sedan driven by Miss Phyllis Hite. Misses Ann Jones, Izora Mangus and Mary K. Myers were in the wrecked sedan. The drivers of both cars escaped without injury, but Miss Jones and Miss Mangus received broken collar bones and Miss Myers lost three of her front teeth.

Taxis and busses have been engaged to transport every pupil to the Altoona High School, even though he lives but a square away from the school. Miss Jean Ritter of the High School faculty, the chief promoter of this movement, was supported by other teachers including Miss Rose Keim, dean of girls, and Misses Isabel Irvin and Yetta Lichtenstein. The principal, Thomas Stephenson, opposed the plan, considering the exercise beneficial to the students.

The labor trouble clouds seem to be lifting. The Altoona district street cleaners went back to work yesterday. Led by Charles Vance and Ralph Gomes, they went on a strike just two months ago. Peace was restored through the diplomacy of Miss Marion Corbin and Miss Ruth Tobler, two prominent social workers. A similar strike came to an end last week at the Martinsburg Zipper factory. The leaders of this disturbance, William McCracken and Theodore Hildabrand, called the men to work when the company went back to the three-inch zipper instead of the four-inch one for shirts.

There's a big press convention at Newry this week. Famous journalists from all over the states are there. Miss Jeanne Walker, foreign correspondent for the New York Times, is to be the speaker this evening. During the remainder of the week James Shaner and Robert Faulkender, columnists on the Pittsburgh Press and Philadelphia Inquirer, respectively, and Robert Isaacson, reporter on the New York Daily Mirror, will address the journalists.

Flash ! The Eppie May dirigible crashed near Newport, a half hour ago. It is too soon to tell if there were any fatalities, but it is believed that most of the passengers are safe. Pilot Stanley Patronik reports that a snow storm was the cause of the disaster. Some well-known personages were on board, including Sylvia Raab and Miss Jane Grimshaw, famous dancers returning home from a round-the-world tour; Mrs. Esau Beldrick, nee Ohlwiler, Hollywood divorcee; and Leonard Hite, New York chief of police. The hostesses of the ship, Pilot Patronik reports, did good work in keeping the passengers from doing irrational things in their terror. So folks, let's give these brave girls a hand—the Misses Elizabeth Hogue, Mary Mock, Janet Degenhardt, and Jeanne Van Ormer.

And now, here are several movies that are highly recommended by seasoned theatre goers. Roger Blake and Wilma Barr are co-starred in "Hold That Line." While Joe Brady, red-headed comedian, falls short of his usual performance, the stars are so good that you overlook Brady's shortcomings. Another good picture is "Peggie of Pebble Park Road," adapted from the book of the same title by Dorothy Groban. The cast includes Orville Gray, Helen Replogle, Ulysses Wharton, and Thebe Robison.

Oh, by the way, don't forget home town celebrity night. Some well-known folks, former residents of good old Altoona, have consented to come back for this one night and give us of their best. An admission will be charged, but the proceeds will go to the Curtis-Hettler home for friendless cats. Yes, Bill Batrus will be here with his famous "Punch and Judy" show and that Silver Slipper Chorus featuring those glorious dancers, Betty Reighard, Louise Riley, Betty Kepple, and Idamae Saucerman. Of course, Nancy Fowler will be here to give some musical readings, accompanied by her petite pianist, Mary Paul. Others who are unable to be present have sent handsome gifts, ranging from \$1.50 to \$4.75. Included in this list are Mary J. Smulling, nurse at Hot Springs; Louise Maguire, inventor of the shavingless pencil sharpener; the Misses Eleanor Leighty and Genevieve Young of the Leighty-Young School of Commerce.

Don't forget that William Schmidt will give his weekly talk on the "Value of Exercise" tonight at 8:30 o'clock, over this station. Jay Hoenstine, coach of Northwestern football team, will be his guest star.

At 9:15, the Harmony Girls, Betty and Winnie Eckels and Lucille Duncan, will bring you their soft, soothing melodies.

And now, before Announcer Byron Miller throws a "mike" at me——good-night!

The Horseshoe Club Celebrity Night

WILMA BARR

Wilma, charming and attractive, is a hard-working Carnegie student. Her popularity was proved by her election as treasurer of the Girls League. Last year Wilma was president of the Junior Class. Do you remember her monologue in "Highlights of 1934?"

WILLIAM BATRUS

"Bill," the assistant editor of the *Horseshoe*, manages to assume a very important air. Besides being just naturally brilliant and popular with the ladies, Batrus participates in dramatics and the Annual Show.

ESKIL BECKMAN

Meet Eskil Beckman—"Essie", to you. As editor-in-chief of this 1934 *Horseshoe*, "Essie" proved his efficiency by producing a successful yearbook. And then, too, he is an all-round man, lending his six feet of height to the Senate, dramatics, and track.

JANE BERKOWITZ

"Janie," our most popular girl, is always busy with numerous committees and meetings. She carries out her senatorial duties exceptionally well and also manages, somehow, to escape the men around her locker whenever duty calls.

ROGER BLAKE

A. H. S. can well be proud of our big football player for "Roge" is also record breaker of the high school discus throwers. He has been having some trouble with his arm but we all hope it will mend very soon. By the way, don't ever call him "Mugsy"; he doesn't like it.

ROBERT CLEAVES

"Bob", another senator, is an efficient corridor patrol and a star basketball player of the Hi-Y Club. Among other things, Bob is one of the Carnegies.

MARY CURTIS

As a member of the Senior Class executive committee, Mary helped make our Senior socials a success. She also sat on a log in "Highlights of 1934." Remember her song, and her dogs?

LUCILLE DUNCAN

"Toddy's" petiteness certainly does not detract from her executive ability. for as president of the Girls League and most popular girl in the school, she has proven that "good goods come in small packages".

STEWART EDMISTON

"Pete" is our "sassiety" man who goes in for nice looking girls. As vice president and acting president, he served the Seniors well.

BETTY ECKELS

At Girls League meetings, Betty reads the minutes and enacts her secretarial duties without a flaw. And this secretary is not only efficient, but is popular, as well.

WINIFRED ECKELS

"Winnie", the blond member of the Eckels secretarial agency, acts as secretary of the Senior Class. She participates in numerous Girls League activities also.

ARTHUR FAIR

"Art" is the curly headed blond who likes to dance and does he know the intricate (?) steps? He is a corridor patrol and president of his home room, too. As actor, he helped win a state dramatic title.

ANNA FOWLER

"Nancy" is the excellent little speaker who won the Senior debating contest. At commencement she made a fine speech.

JANE GRIMSHAW

For the last three years, "Janey" has represented her class in the Senate, along with other duties as a Carnegie student. Popular? Yes, indeed! Still another good point—For two years Jane has been voted our best-looking girl.

DEAN GROVE

Dean assumed his dignity as a sophomore, when he served on the class executive committee. This year he is secretary of the Boys Federation.

THOMAS HARTSOCK

"Tommy" is the red-head that did some stepping in the Annual Show. His brogue in the show just fits his name, which is Thomas Patrick Joseph Sheedy Hartsock. Some handle, eh?

SARA HARTSWICK

"Sally" served her class in the Senate during her sophomore and junior years. Among her other activities are mixed chorus, class committees, and Carnegie work. Then, too, "Sally" isn't all there, since she had her appendix out this spring.

JOSEPH HIRT

As a newcomer from Harrisburg, "Joe's" popularity was shown by his election as Senior Class president, an office which he capably filled.

LEONARD HITE

As captain of the Corridor Patrol, "Len" keeps the sophomores stepping. He is also a senator.

ROBERT HITE

"Bob" is somehow connected with almost every activity of our school, and what a worker he is! President of the Senate, the Honor Society, and the Hi-Y, he is an all-round student as well, and participates also in football, basketball and track.

JAY HOENSTINE

Meet the captain of the 1933 football team! Jay was an important member of the varsity football team during his entire sojourn in high school. Jay, our Boys Federation president, was voted the best looking boy in the high school.

ELIZABETH HOGUE

"Libby's" wit and good humor will be missed in high school next year. As one of our popular ladies, she served as chairman of the finance committee this year. Just another "Big-shot."

THE KELLEY TWINS

Jane is one part of our attractive "Kelley twins" who are in almost all the major activities of the school. Jane is a member of the National Honor Society, last year she was on the debating team and has held many offices on many committees. Kathryn is the other half of the team. "Kate" is a member of our Senate and Senior Class Executive Committee. One of her pastimes is walking around the halls inquiring for hall passes. The Kelleys are very nice girls and liked by everyone.

ELIZABETH KURTZ

"Betty" represents the Honor Society in the Senate and is a member of the "brain trust" of the A. H. S.

IZORA MANGUS

"Zorky" is vice president of the Girls League, member of the Senate and president of her home room. She is also one of the best actresses you ever saw.

PATRICIA McGUIRE

In her Sophomore year, "Pat" was vice president of the class, and last year she was vice president of the Girls League. Do you remember her in the "Highlights of 1934" with Ted Healy's "stooges"?

CHARLES MONTGOMERY

"Chet" is a good actor and also a good speaker. He was a winner in the oratorical contest.

ALEXANDER NOTOPOULOS

Last semester "Alec" was president of the National Honor Society, and he has been a senator for the past two years. Besides being a jolly good fellow, "Alec" plays "Jay Vee" basketball.

ANN OHLWILER

Ann is our lovely blond senior who tap danced in the show. Besides being a good dancer, she is a very popular member of the Carnegie group. We hear that she likes college boys who are minus appendixes.

MARY PAUL

Good natured Mary is one of the "hardest little workers" in A. H. S. She'll play the piano for anything and smile. Then, too, she's the assistant art editor of the *Horseshoe*.

HELEN REPLOGLE

"Rep," our most athletic girl, is noted for her wit and good humor. And can she shoot the baskets.

WILLIAM SCHMIDT

"Bill" is a popular boy, and a versatile one, too. He gained a prominent place in athletics (especially basketball), and is vice president of the Boys Federation. Just another "stooge," he also helped sing some parts in the show.

JOHN SHAFFER

We'll vouch for "Jack," who for the past two years has been the class treasurer and hasn't absconded with any funds. "Jack" is another "generalissimo" of the Carnegie group.

THOMAS STEPHENSON

"Tom" executes just as well as anyone else on the Senior Class Executive Committee. And that dark look in "Tom's" eyes has broken many a poor maiden's heart.

GEORGE STERE

"Cow" has been in several annual shows and sometimes sings at the socials. Besides having a "swell" voice, George is a football and track star and is chairman of the Boys Federation Publicity Committee.

HUGH TORRANCE

Where would the Carnegie group be without the ingenuity of Hugh, another Will Rogers? Not only does Hugh have excess brain power he also, as a Sophomore, served his class in the Senate.

ELEANOR VELENO

This popular young lady, our high school song bird, has a part in almost every entertainment around here. With her beautiful melodious voice, those eyes and that way of hers, "Sweetie" can put over any song.

JEANNE WALKER

As editor-in-chief of the *Mountain Echo*, "Jeanie" proved to be a strong worker and a capable executive. By stretching her busy school day at both ends, she found time to cheer her staff on to the production of an excellent school paper. Jeanne also holds an honorable place in Carnegie group.

BETTY WARNER

Betty, another girl basketball star, is one of the sports reporters for this publication—and she should know her stuff, for hasn't she been a Carnegie student all these years?

ROBERT WELKER

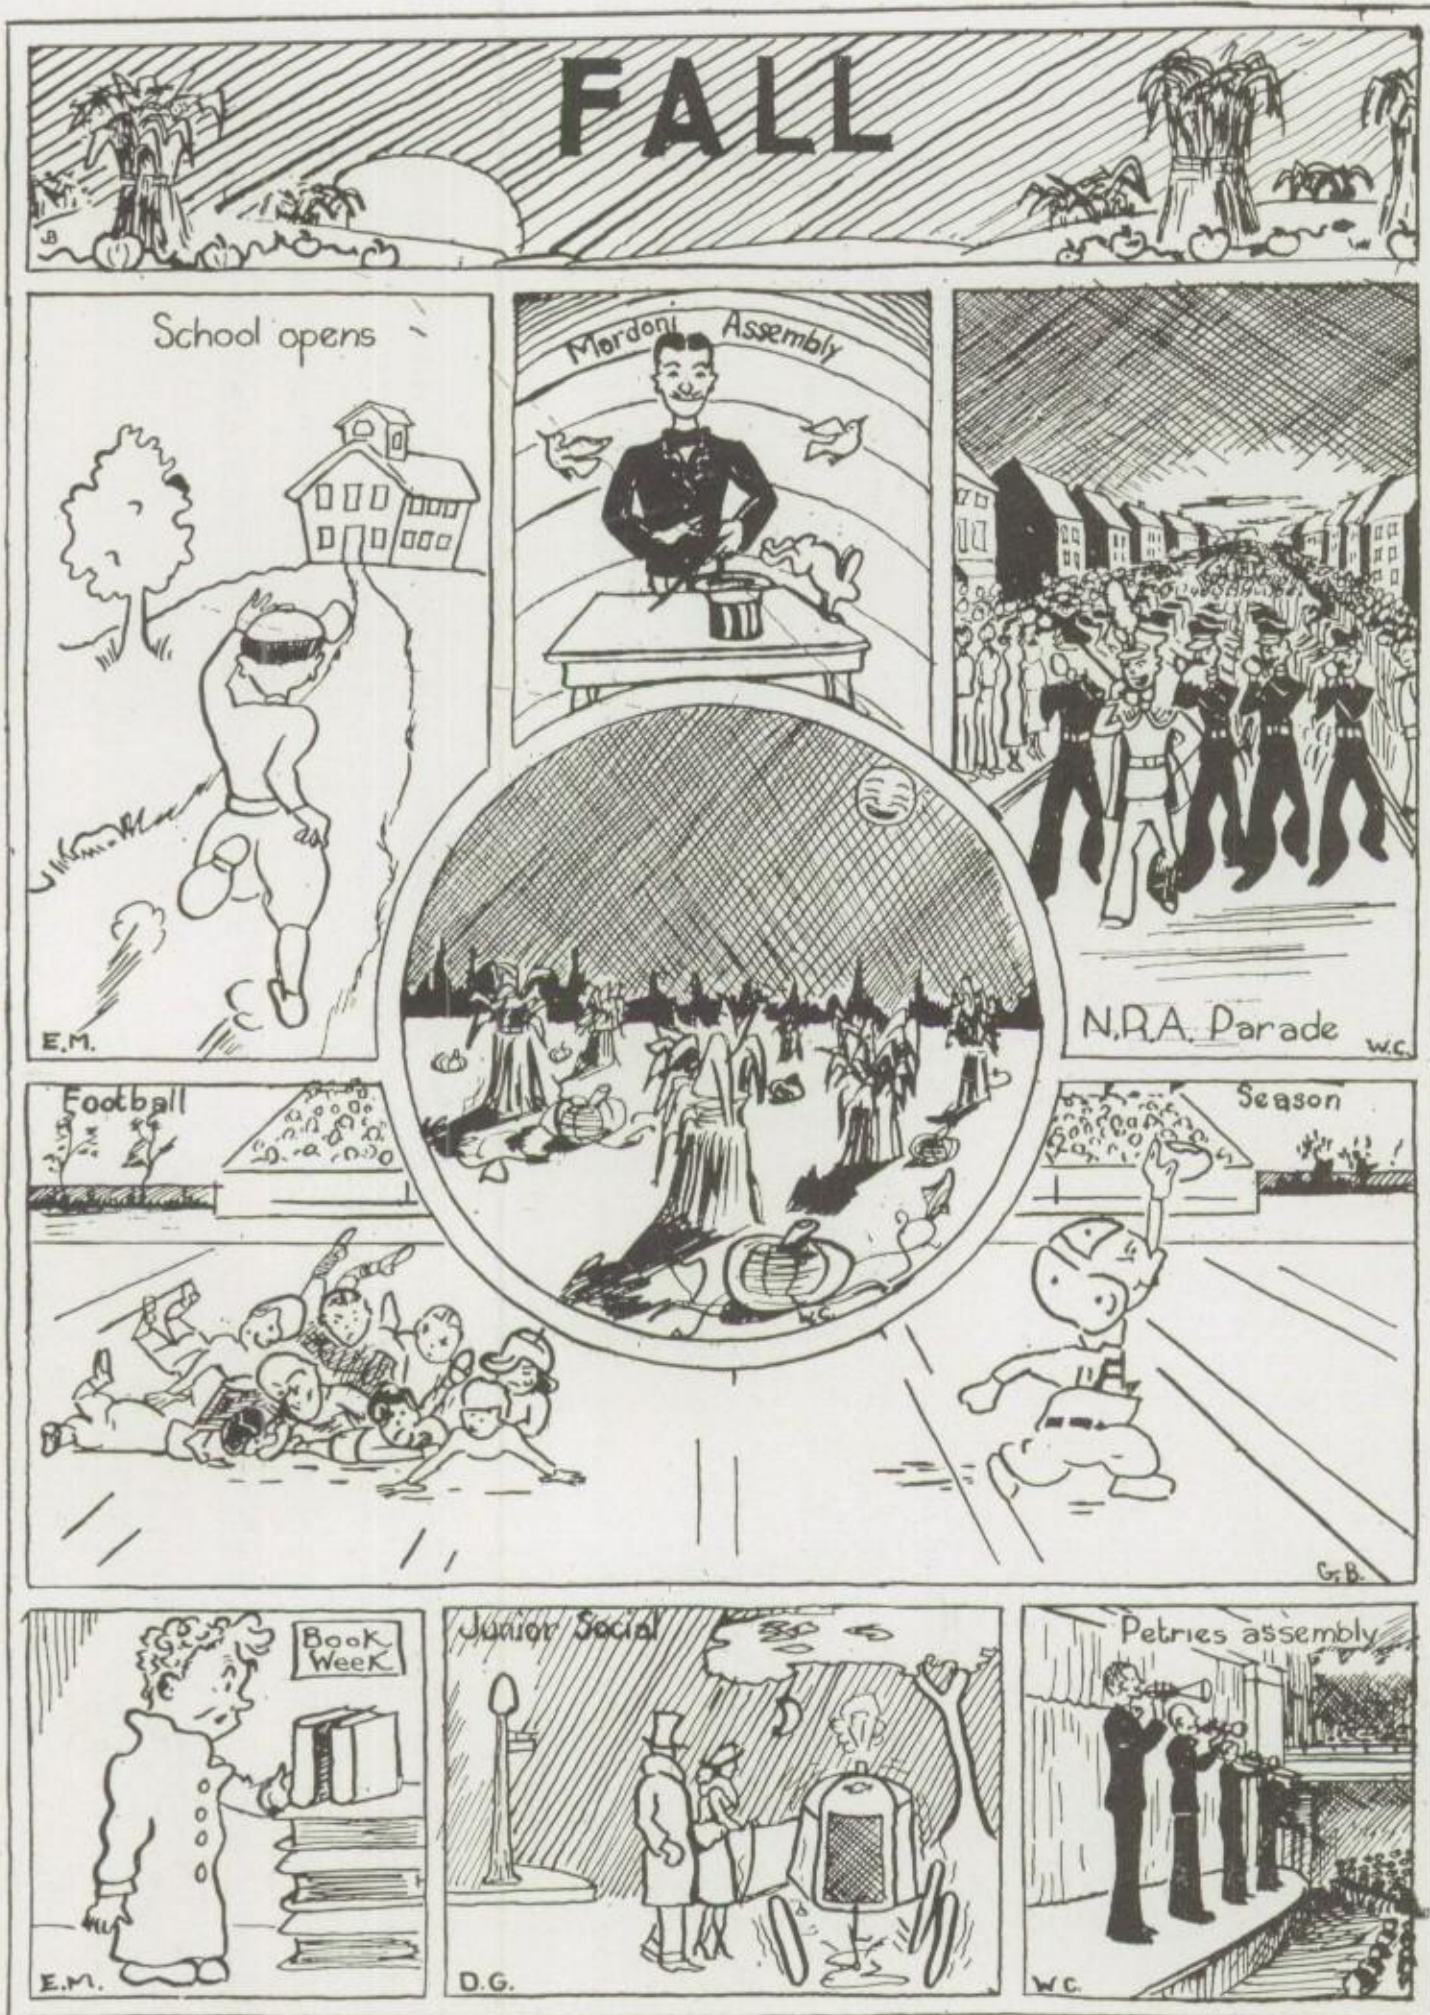

Remember all those snappy slogans advertising the 1934 *Horseshoe*? "Bob," as business manager, put across enough sales talks to make our year book a "go." Incidentally, "Bob" is in the National Honor Society.

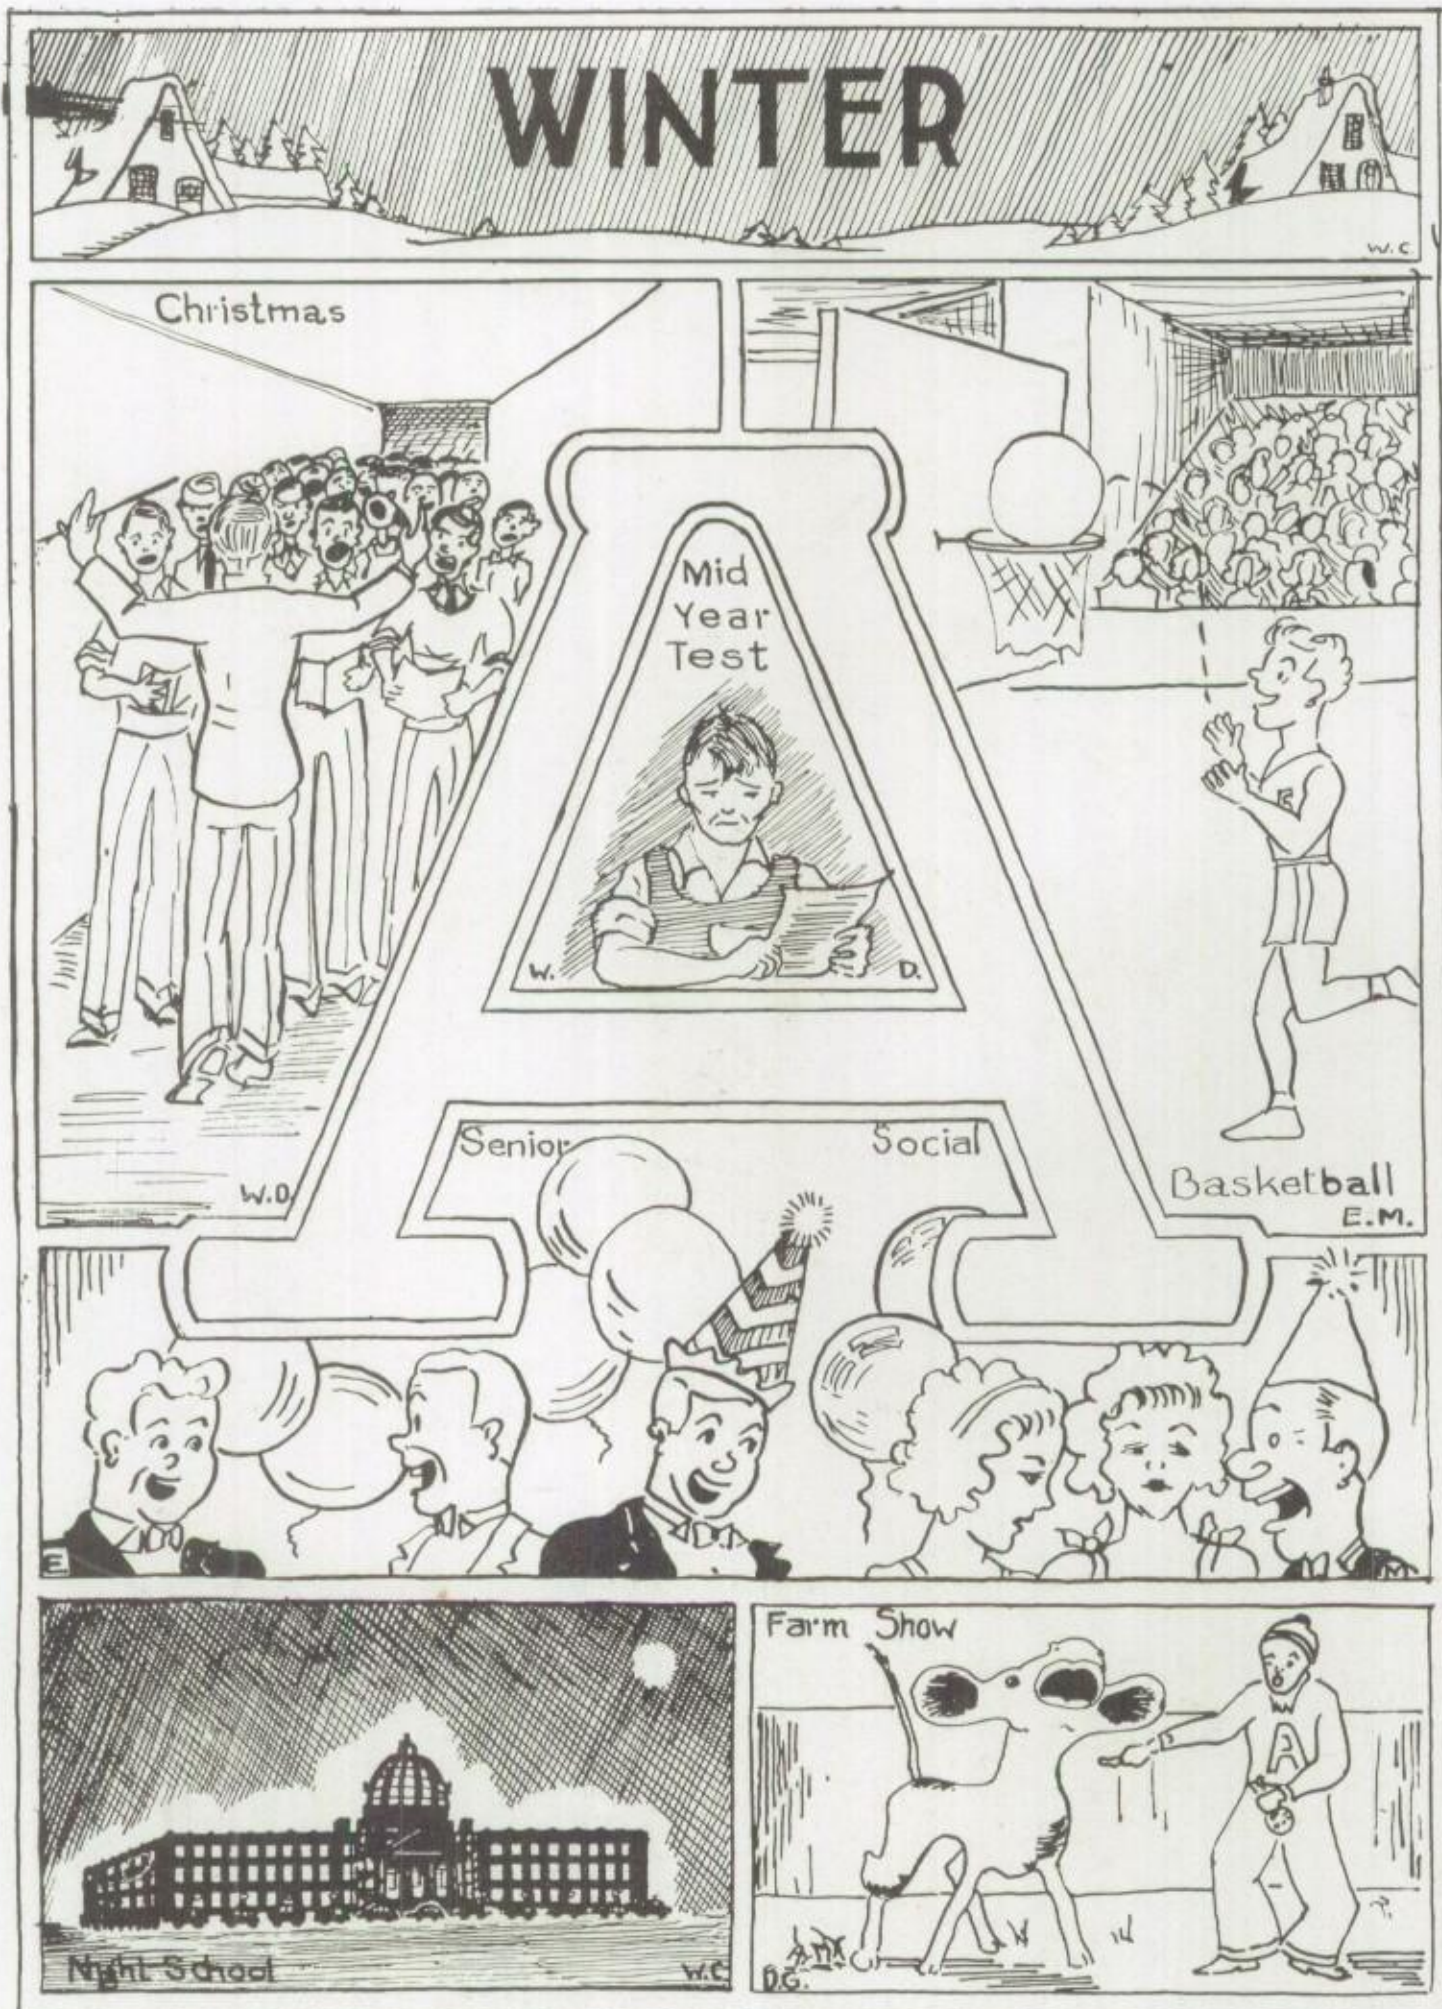

ULYSSES WHARTON

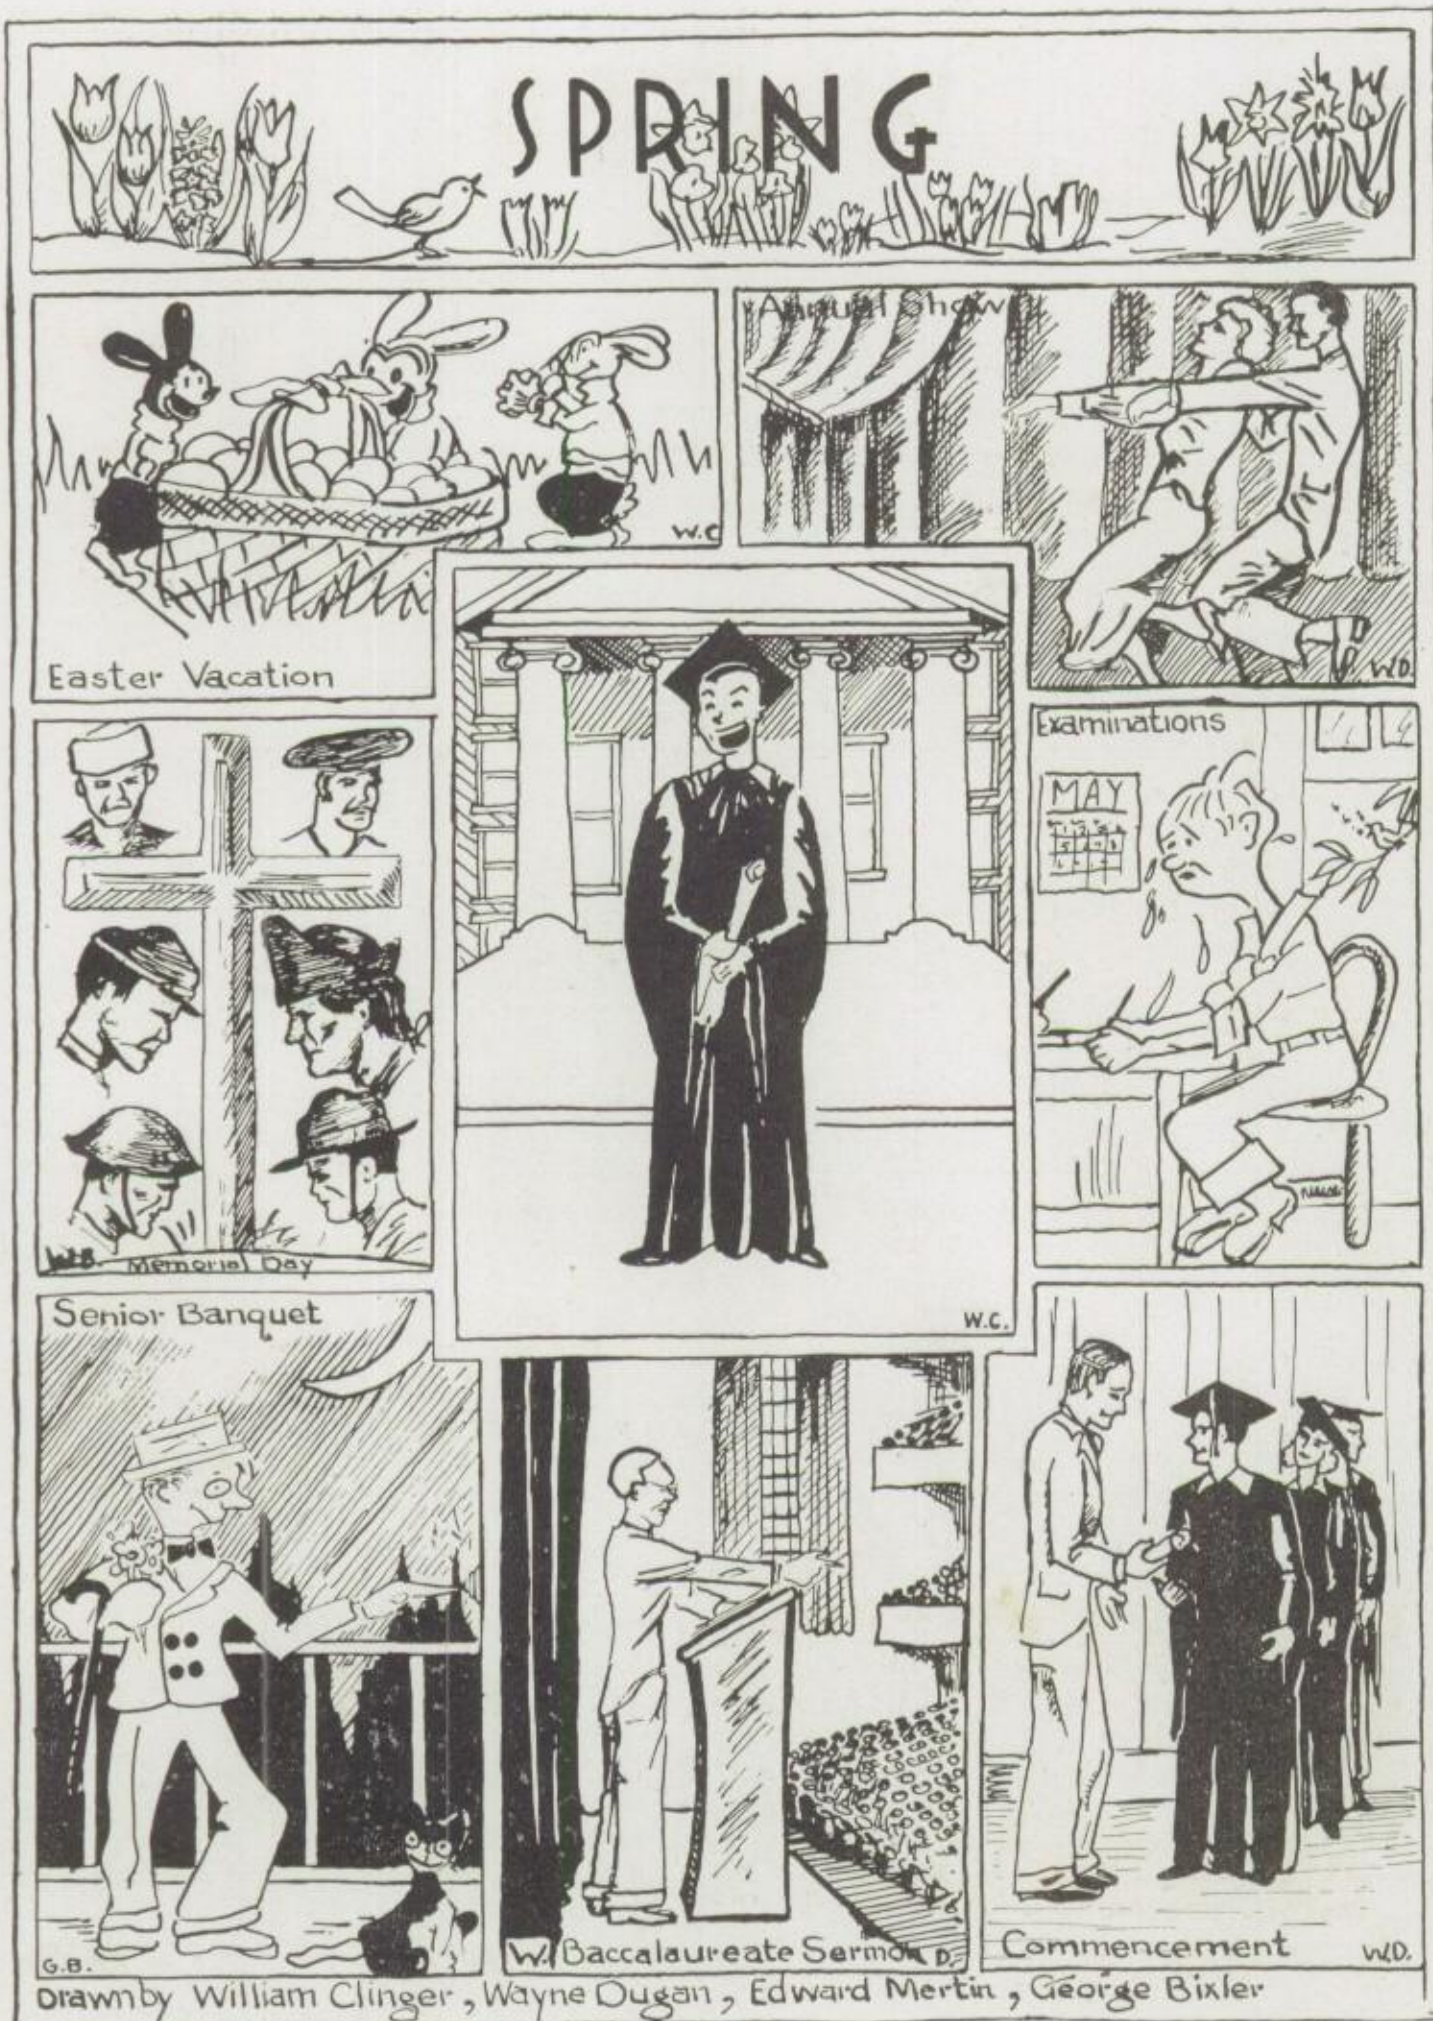

"Uly" is another of the Senior Class executives. He holds the present pole vault record and is in the National Athletic Honor Society.

WILLIAM WOLFE

Everybody knows "Bill" and likes him, too! Besides being a "stooge" he is president of the National Athletic Honor Society and treasurer of the Boys Federation. He's a football and basketball man, too.

Diary of a Senior

September 6

The first day of school! The Juniors and Seniors went bustling through the halls, smiling at old acquaintances, but the Sophomores had a sorry time! The schedule cards would be much handier if they designated the floor, the building (old or new), the nearest avenue, and "what the teacher looks like." One new comer hunted 112 in the basement, another tried to find "up-stairs" on the third floor.

September 22

The auditorium was filled to overflowing—students spreading all over steps and clinging to the arms of chairs watching the wonder of all wonders, Mardoni, the escape artist. One Sophomore surely was surprised when the mystery man produced a bottle of milk—nipple and all—from the lad's inside coat pocket. Two others—not Sophomores, though—put the "escaper" in a box, fastening it in every possible way. They placed the box behind the curtain. Presto! The curtain parted and out walked Mardoni!

September 23

What a day for victory! And so it was—the day of victory, I mean. Altoona defeated our neighbor, Williamsburg, in football, 31-0. Looks like a good start. Keep it up boys!

September 26

Many shoes were worn thin this evening by the incessant grind of tramp-tramp-tramp! It was the NRA parade that furnished excitement and stiff muscles.

September 30

Today our football team fought a tough fight with DuBois, and much to our sorrow and the delight of DuBois, we were defeated, 29-16. For a time it looked as though Altoona could keep the honors; but with only a few more minutes to go, DuBois, by some streak of luck, staged two more touchdowns. The game ended with the clutching of the bacon by DuBois. Even so, we are just as proud as ever of our boys.

October 7

South High fans from Pittsburgh left Altoona this evening with long faces, and well they might. After a tough football fight, the score board read 19-14 against them.

October 12

Four hundred and forty-one years ago today, America was discovered by Columbus. We can sympathize with him as he must have had somewhat the same feelings, when crossing that vast body of water, that we have when going to classes unprepared. You know how that is!

October 13

Friday the thirteenth! But there's no jinx in that for A. H. S. Today was a holiday! This break was due to a P. S. E. A. convention at Lock Haven. Since teachers attended, we had no school. Do we love vacations?

October 14

Today Altoona was defeated in football for the second time this season, when Billport claimed the honors and went home much elated, leaving Altoona a little in the dumps, but our fellows still held to their fighting spirit.

October 18

This was a great day—the day when we, the Seniors, viewed the candidates for class election. Many beaming faces—both beautiful and handsome—appeared upon the stage. After all aspirants had been introduced, there was little time for a program.

October 19

Today the first marking period ended and we're worrying about our fever charts. The gag about having Papa sign his name without looking at the grades is an old one, and Papa never falls for it.

October 20

Election! Quite a memorable day for the Seniors! Boys received the majority of offices. A short, handsome mid-year student carried off the honors as president. A pretty little blonde snatched up the honors as secretary, and a tall handsome red-head is again treasurer, having served in that capacity before. Don't be mistaken in our red-head, as he isn't typical of the usual fire-tops. He is very "sweet" tempered. Oh, I forgot our vice president—he's "cute" too!

October 21

Today our football fellows showed us that they still had fight left in them, by defeating Lock Haven in an exciting game. And was it muddy! The fellows had a "swell" time skidding around in the mire.

October 28

The "Bisons" put up a good fight today in Clearfield, but Altoona was too much for them. The Maroon and White showed the Red and Black a little about football.

November 11

Today Altoonans were very much surprised and disappointed when we were defeated in football. This time the victors were our neighbors from Huntingdon.

November 18

Oh, Yeah! We lost, 12-2. Through a drizzling rain, Altoona fans traveled to Johnstown, well prepared to behold a fierce struggle between two rival football teams. Johnstown emerged from the mud victorious! And was there excitement among the fans! (Johnstown fans, of course.)

November 28

Again Altoona came out victorious in football, this time defeating Portage by a onesided score, 27-0.

November 29

Well, the end of another marking period! Some can smile complacently, but others have an appearance of studied indifference. How we envy those who have no worries.

November 30

Thanksgiving Day, but, holiday or no holiday, we couldn't get entirely away from school as most of us "traped" in, out, down, or over to the Mansion Park field for the last football game of the season. The bleachers were gay with fancy colored blankets as it was bitterly cold! It wasn't hard for you to guess who our defeated opponents were, as we always play them on turkey day—Tyrone.

December 8

Tonight the Seniors staged a social. We thought little about the work and the workers behind the scenes, but it was evident that the committees produced successful results. They decorated the social hall as a winter scene. A large snow-man, frosted windows, and refreshments in the true winter style gave a realistic effect. Dancing was enhanced by a few dim lights, a spot here and there.

December 12

Today all the girls of the school marched over to the Roosevelt auditorium (the boys were allowed to go home) to see the annual Christmas play presented by the Girls League Dramatic Club, assisted by a few boys. The usual dismissal hour passed unnoticed as the audience was deeply absorbed in the proceedings on the stage.

December 15

The Boys Federation entertained the public by presenting a mystery play, "The Keynote." The suspense of the mystery was relieved by a very amusing vaudeville act.

December 16

Altoona knows it has a good basketball team this year, after seeing the way the boys fought with the Alumni this evening.

December 18

Today thirty-three new members were taken into the National Honor Society. If you were one of the "lucky" ones, we congratulate you. If not, we wish you better luck, next time.

December 21

Christmas "vac!" How good to have a couple of weeks with no nightwork! Did you leave your semester project go until vacation time?

January 5

This evening Altoona defeated Juniata College Freshmen with a score of 33-24, in basketball.

January 9

What an enjoyable evening we spent watching parents who were led around by little darling Percivals or Patricias! The parents were a little bewildered and so were we. The Night School session was a big success.

January 12

This day was marked by the second Senior Social. The ceiling of the dance hall was decked with balloons in dazzling colors. Dancing to the strains of Orville Gray and the High School band, the "socialites" enjoyed themselves and were interrupted only by a rush for the balloons which proved to be a "popping" and "bursting" affair. A memorable evening! Sorrow was mixed in with the fun, however, when the news was told that our basketball fellows were defeated, 21-12, by Ferndale.

January 13

Lady Luck was against us today when we journeyed to Westmont. We did our best, but the score was 23-18—much to the joy of our opponents.

January 18

Today the "sophs" held their election. For some reason they were unwilling to run for office. Why was it? Were they afraid of being defeated? Well, anyhow, they finally found someone for each office. We hope they will have more backbone next year.

January 20

Old Man Defeat traveled with Altoona to Johnstown today. After a hard fight the game ended with 25-18 as the score.

January 22

Today mid-semester exams were doled out to all except (you know there is an exception to every rule) the brilliant intellectuals.

January 26

Tonight both the Boys' and the Girls' basketball teams staged winners, their opponents being Windber teams.

January 27

Billport defeated Altoona, 26-21, at Williamsport today.

February 2

Today Mr. Groundhog had courage enough to come out, but he went back into his hole because he saw his shadow and knew what that meant—six more months—oh, pardon me, I mean “weeks”—of winter. Both basketball teams also came out today, came out with victories, too! The boys defeated Portage, the girls defeated Westmont. Both games were out of town.

February 9

Tonight the Seniors held their third social of the year—a gala affair. The decorations were for Valentine's day and many of the students bore the heart's dance with them. Dan Cupid had a busy evening.

February 10

The girls defeated Portage and the boys lost to Westmont this evening.

February 12

Today was Lincoln's birthday and we celebrated by seeing what he did all his life—I mean we saw a moving picture.

February 14

St. Valentine's Day! Did you forget to send her your message “I could love you as easy as pie?”

February 16

The English Department entertained the public by staging “The Poor Nut.” The Poor Nut certainly was nutty, but as some poor nuts will, he pulled a surprise and wasn't such a booby after all. He was the “modestest” fellow at the University—all the action of the play took place at some Ohio University—not really, of course, as we saw it in the Roosevelt auditorium. Also, the girls' basketball team tied with Ferndale while the boys lost to the lads from the same town.

February 20

By the way, did you see that huge black raven? Many a student believed he was “seeing things” when he glanced down the “well.” We will see it “never more,” unless we travel to Sinking Valley, into the “Land of Grimm.” This evening the Girls' Basketball team lost the game played with Windber at Windber.

February 23

The Sophs proudly held their heads this evening! Why? Their social was a “swanky” affair, largely attended, and thoroughly enjoyed.

February 24

Today Altoona sent Billtown home with long faces as the A. H. S. Boys' Basketball team defeated them in an exciting game.

March 2

The auditorium was filled to overflowing today with enthusiastic listeners for an impersonator. His most humorous number was "Hoosier Fiddler." Throughout the whole program there was not a slow moment. Both basketball teams had happy dreams this evening; the boys defeated Windber at Windber, the girls defeated Portage at Portage.

March 4

Ordinarily, a merrier lad cannot be found within our School than John S., the popular young photograph editor of the *Horseshoe*. Recently, however, he has been plunged into the depths of despair by a picture of one of the weaker sex of the school. He has even taken to carrying on a conversation with this charming photograph, and just the other day he was heard earnestly saying, "I do beseech you, what is your name?" Desperation had him in her clutches and he dashed madly through the halls from student to student, and teacher to teacher, asking each one if he knew the subject of the picture. Now, girls, don't despair. His anxiety has not been due to any heart affliction or "love at first sight," but merely because of an unidentified photograph. Hence, girls, be sure to look well at this year's *Annual* for YOU may be the girl who has every probability of being "labeled" Madam X.

March 6

The Altoona girls defeated Ferndale by a score of 35-14. Keep it up girls!

March 7

You've heard of the Carnegie Group, haven't you? Well, this group had a party this evening after school, with out-of-town guests. While the students were having an hilarious time in the social hall, the teachers were at the auditorium where Dr. Ben Wood, head of the Carnegie movement, addressed them. At 6 o'clock, or thereabouts, everyone filed to the cafeteria where a delicious dinner was served. There were several addresses—you know, after-dinner speakers!

March 8

Tonight the Varsity "A" club held its annual banquet at the Cricket Club. Boys usually enjoy a stag affair and this one was no exception. Can those boys eat? Ask Schmidt and Hoenstine.

March 9

Basketball fans spent an exciting evening at the Roosevelt gym when our boys defeated Johnstown and the girls won from Westmont, after which those interested went to the Junior Social.

March 13

Poor Mr. Pohle! He's always the target. 'Twas announced in assembly that he and his Latin teacher would appear at the Annual Show. He's really too small to take it all.

March 15-16-17

I guess we'll make this a three-in-one production. On these evenings, many Altoonans, men, women and children, enjoyed one of the successes of our senior career. "Pop" and some others are pretty tired, but are proud of their production, and well they may be, for it was a crowning success. First guess? Right—the Annual Show!

March 20

The National Honor Society and the Quill and Scroll were guests at the Edwin Markham reception. The poet entertained by telling witty stories and reading several of his own poems. By special request, he gave "The Man With A Hoe." This jovial personage, at the age of eighty-one, still boasts that he enjoys life to its fullest extent.

April 13

Nineteen members of the Hi-Y Club traveled to Washington today, for a two-day visit. After shaking hands with Representative Kurtz, the entire party visited Arlington, the Washington Monument, and the Smithsonian Institute. They saw the cherry blossoms in full bloom, had a look-in on Congress in action, toured the Capitol, and watched a son of the President tear away from the White House in his shiny Cadillac. Considering everything, "a good time was had by all" (at the burlesque). No casualties!

April 27

Gee-rusalum, but that was a good entertainment—a success from the very opening chord of the orchestra to the very last speech. Oh—sorry, we're talking about the Central European Carnival.

May 1

Tonight was the big event of the Girls League, the Mother and Daughter banquet. The girls and their mothers spent a very enjoyable as well as profitable evening together.

May 3

Amid the soft lights of the Cricket Club and the sweet music of the High School dance orchestra, the Senate held its annual banquet. The guests were the members of last year's Senate and the officers of the last three years. Dave Perry, city attorney, delivered the address. Then came the dancing.

May 9

Senior Day! Our last class meeting was held this morning. President "Pete" Edmiston presided and introduced the class celebrities, who for the last time presented to an audience of 1934 Seniors their clever skits.

June 3

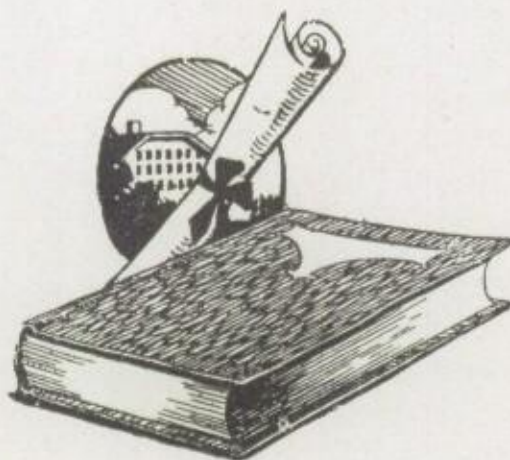

The sermon for Seniors! How soon they will leave dear old A. H. S. to seek their fortunes. Good Luck!

June 4

This is the climax of the story of '34! Handsome boys and smiling beautiful girls ate and danced for the last time to the tunes of Orville Gray and his orchestra. Speeches were held to a minimum by our Banquet toastmaster "Bob" Hite.

June 6

It is finished! We are no longer Seniors; we have won our diplomas and now we must go forward, it is to be hoped, to a fuller life as well-trained and helpful citizens.

And nestled close in Allegheny's curve
Lies a narrow ribbon cast from iron.
Upon it massive engines dip and swerve.*

We Take Our Leave

THE future of our world is in the shell of our hands. With *Life* as our battle cry, we must press forward with high hopes and high ideals. Success is ours if we but strive for it. Facing an era which demands a new style of living, a new order, we must do our tasks in such manner that this new age will be one of worthy achievements. To our high school classmates let us say *au revoir*.
